Johnson Sea Horse Hi

Ron, The 70 & 75hp

3-cylinders were quite

popular - still are, too! I

have a 1980 75hp on

one of my boats. The 70

is probably more

common of the two,

The late 19th and the 20th centuries brought tremendous changes to Bismarck, as it did to all of North Dakota. The 1880s through the 1910s saw much of the new state's population growth. In this time period, English, Irish, Scandinavian, German, and many other immigrant settlers
