Through ten editions, Fox and McDonald's Introduction to Fluid Mechanics has helped students understand the physical concepts, basic principles, and analysis methods of fluid mechanics. This market-leading textbook provides a balanced, systematic approach to mastering critical concepts with the proven Fox-McDonald solution methodology. In-depth yet accessible chapters present governing equations, clearly state assumptions, and relate mathematical results to corresponding physical behavior. Emphasis is placed on the use of control volumes to support a practical, theoretically-inclusive problem-solving approach to the subject. Each comprehensive chapter includes numerous, easy-to-follow examples that illustrate good solution technique and explain challenging points. A broad range of carefully selected topics describe how to apply the governing equations to various problems, and explain physical concepts to enable students to model real-world fluid flow situations. Topics include flow measurement, dimensional analysis and similitude, flow in pipes, ducts, and open channels, fluid machinery, and more. [...] it didn ' t matter, because one word, “ sure ” in the context of motorcycle ownership, gave Pete permission to buy one. All he had to do now was earn the money. [...] When Ms. Strickland answered the door she looked at the stoop and noticed that it had been shoveled. Since they were both holding shovels, the first thing she said in a rhetorical tone was “ Did you guys do that? Thank you! ” Before they could get a word out, she continued with “ I guess you are here to shovel my drive! Or did you do that too and now you want your money? ” Without missing a beat, Mel replied, “ Yup! Twenty bucks! ” In a scolding almost frantic tone she replied with, “ Well I ' m not paying. I have the lawn service under contract. Not very smart business boys. You can ' t just ask people to pay for a service they didn ' t request! ” Pete just stood there in shock when Mel said, “ OK, we ' ll put it back. ” She paused for a moment with a look of horror on her face until she realized Mel was joking and started laughing. She said “ I ' m sorry boys, but I ' m already committed. ” Mel replied, “ That ' s OK, we understand. ” As they were walking toward the next house, they heard Ms. Strickland ' s door open and she started yelling, “ Boys!? Boys!? Wait! ” Mel and Pete exchanged glances wondering what now? “ Come back! I changed my mind! You can shovel my drive! ” Pete jokingly said to Mel, “ It looks like we ' re both gonna make \$20 on this drive since our price just doubled! ”
