Research shows that vocabulary is the best support for students' comprehension of narrative and information texts. Often, vocabulary instruction focuses on a few target words in specific texts. However, to understand the many new words in complex texts students need to know how words work. This book, written by an award-winning authority on reading instruction, shows teachers how to make small changes to teach more words and also how words work. Many of these small changes involve enrichments to existing vocabulary practices, such as word walls and conversations with students. Each chapter includes descriptions of teachers' implementation of small changes to support big gains in students' vocabulary. This book, which has sufficient depth in research and theory for graduate and undergraduate courses in vocabulary instruction, also offers practical steps that K–8 teachers can use in any reading program to help all students grow their vocabulary. Teaching Words and How They Work shows teachers how to: Identify the most important word families to teach. Teach students to use opening text as background knowledge for comprehending the rest of the text. Use word walls with more purpose and greater student engagement. Select the right words to teach from new information texts. Better understand limitations of leveled texts and how to adjust. Use

assets and address challenges to support English learners. Access free mentor and teacher resources online at textproject.org.

Cam Jansen can find a mystery anywhere, even in the school lunch room! When Jason opens his lunch box and finds only cookie crumbs, Cam's amazing memory clicks into action.

Research shows that some of the most effective words students can learn are academic vocabulary. Knowing these words boosts students' ability to understand and complete classroom work, homework assignments, standardized tests, and more. Each of these 18 ready-to-reproduce, 4-page lessons gives students multiple encounters with the new words to help kids really remember them. Also includes writing prompts and engaging activities. For use with Grade 3.

HELP YOUR CHILD VANQUISH VOCABULARY! We've selected 230 words to help your child expand their vocabulary and enhance their school and reading success. With words and a contextual sentence on the front, and definitions, pronunciation, and syllable breaks on the back, our Sylan flashcards make learning easy and fun. We've also included 10 blank cards kids can use for new or personalized vocabulary. Plus, it's easy to keep track of which words your child has learned with the color-coded meter on the side of this box. Once your child feels comfortable with a card, flip it upside down, move it to the back of the box behind the divider, and watch your child's vocabulary grow!
