A sweet tween novel, A Horse for Kate introduces us to twelve-year-old Kate Ferris, who has recently moved to Odell, Oregon from Seattle, Washington. A Horse for Kate deals with so many different coming-of-age topics: moving to a new state and city, finding your place in a new school, making new friends, following your dreams, dealing with disappointment, loving those different from you and respecting your parents.

The horse was a Georgian Grande, a crossbreed of a Friesian and an American Saddlebred. According to horse trainer Wendy Gooding, a copious amount of RIT dye was applied to the horse, presumably to enhance its black sheen. (Lost: The Complete Second Season (DVD)) When Kate approaches the horse, we see a full-length shot of it.

Horse logging is the extraction of timber using horses as 'base machine' with a wide range of traditional and modern implements. Horse loggers work through the whole range of timber produced in British woodlands; from small coppice poles and firewood, through thinnings in soft and hard woods up to final crop - large saw logs in soft and hard woods.
