Anger Management Techniques | How to deal with and control ...

Anger management, therefore, is about learning to control your anger. This does not mean to suppress or internalise it, which can be as damaging as frequent outbursts. Instead, it is about understanding why you are angry, and learning to manage your emotions. It is, therefore, an important element of self-control.

Anger Management - Self-Management Techniques | SkillsYouNeed

A typical anger management programme may involve 1-to-1 counselling and working in a small group. A programme may be a 1-day or weekend course, or over a couple of months. The structure of the programme depends on who provides it, but most programmes include cognitive behavioural therapy (CBT), as well as counselling.
