Start your review of Better Off: Flipping the Switch on Technology. Write a review. Feb 22, 2015 Diane rated it it was ok. Shelves: year-long-project, obnoxious-narrator, unfinished. I really wanted to like this book, but it was painfully written and the author comes across as a jerk. It's a decent premise: A man and woman decide to live off ...

This month's review, Better Off: Flipping the Switch on Technology by Eric Brende, may appear to be blasphemous when included in these pages. After all, Residential Systems celebrates the adoption of numerous technologies designed to enhance the lives of those who elect to take advantage of them. Questioning the voracity of these modern innovations could be misconstrued as a criticism of the industry I have spent my life promoting.
