Affection Americans Define

In psychology, an affectional bond is a type of

Where To Download Bonds Of Affection Americans Define Their Patriotism 1st First

Attachment behavior one individual has for another individual, typically a caregiver for her or his child, in which the two partners tend to remain in proximity to one another. The term was coined and subsequently developed over the course of four decades, from the early 1940s to the late 1970s, by psychologist John Bowlby in his work on attachment theory. The core of the term affectional bond, according to Bowlby, is the attraction one individual
