and practices. Simply written and beautifully illustrated in full color, these books are ideal for home or school and will help children to better understand the Catholic Faith.

The lives of the Saints are one of the most powerful ways God draws people to himself, showing us the love and

the joy we can find in him. But so often, these Saints seem distant—impossibly holy or dull or unlike us in race and age and state in life. In *Saints Around the World*, you'll meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The

beautiful illustrations
and captivating
storytelling will
introduce you and your
children to new
heavenly friends while
also helping you fall
more in love with Jesus.
Each story in this book
is written not only to
capture the imagination
but also to speak about
God's tremendous love
and our call to be saints.

File Type PDF Book Of Saints

There are stories in
Saints Around the
World for when you feel
like life isn't fair, when
people are being unkind
to you, when you've
made a terrible mistake,
when you're struggling
at school, when prayer
is hard. And there are
stories of shouting down
Nazis, of fleeing a
murderous villain, of
making scientific

discoveries, of smoking
a cigar while enemy
soldiers amputate your
leg. There are scared
Saints, brilliant Saints,
weak Saints,
adventurous Saints,
abused Saints,
overjoyed Saints,
disabled Saints—and the
point of every one of
them is the love of God.
Whether you're
checking the map to

find Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles, you'll find countless stories in this book that remind you how very possible holiness is.
