Like philosophy itself, How I Met Your Mother has everyone thinking. How does a successful show that's been on the air for years suddenly become a hit in its fifth and sixth season? Have you ever wondered why you identify so strongly with Barney despite the fact that he ' s such a douche? Or why your life story doesn ' t make sense until you know the ending—or at least, the middle? Or where the Bro Code came from and why it ' s so powerful? Or why you ' d sooner miss the hottest date in your life than have to live in New Jersey? Of course you have, or if you haven ' t, you ' ll clearly remember from now on that you have. How I Met Your Mother and Philosophy answers all these questions and a whole lot more, including one or two that even you may not have thought of. Twenty of the awesome-est philosophers ever congregated in one bar have come together to quaff a few drinks—and to analyze this most awesomely philosophical of sit-coms. They poke, prod, and sniff at such momentous matters as the metaphysics of possible worlds, the misdeeds of Goliath National Bank, the ontology of waiting to get slapped, the epistemology of sexual attraction, why the Platinum Rule is to never love thy neighbor, the authenticity of censoring yourself, the ethics of doing bad things with partly good intentions, why future Ted ' s opinions matter to present-day Ted, whether it ' s irrational to wait for the Slutty Pumpkin, and why Canadians have that strange Canadian slant on things. This book shows that viewers of How I Met Your Mother and Philosophy know that philosophy is much more than a song and dance routine.

Quotes captures your subconscious mind, which forms 90% of your total mind. The subconscious mind is the creative mind. So, when it is frequently filled with positive commands it will bring an overall change in your overall personality.Most of the quotes will hardly take you 10-20 seconds to swallow. However the message contained in these quotes are quite heavy, which will be sufficient for months or even years.If you closely make a study of quotes, you will come to see, they were not created, rather it happened by accident.Great leaders and visionaries say things from their life experience which will be picked up by their followers and they will publicize it to the world. So it is not sold to you, rather it is passed from generation to generation, like a rare gem: "Girls are like cartons of milk. Each one has a hotness expiration date and you've hit yours. I'm not saying the occasional guy won't still go to the fridge, open you up, take a sniff, shrug and take a sip anyway; but it's all downhill from here."- Barney StinsonBarney Stinson is awesome. How do we know? Because the supremely confident womanizer played by Neil Patrick Harris on How I Met Your Mother never lets anyone forget it. The show may be about the road to romantic love for main character Ted Mosby, but the most entertaining parts of any episode are the hilarious one-liners and bold proclamations made by Barney. "Okay, pep talk! You can do this, but to be more accurate, you probably can't. You're way out of practice and she's way too hot for you. So, remember, it's not about scoring. It's about believing you can do it, even though you probably can't. Go get 'em, tiger!"- Barney Stinson
