Homi K. Bhabha is an Indian English scholar and critical theorist. He is the Anne F. Rothenberg Professor of the Humanities at Harvard University. He is one of the most important figures in contemporary post-colonial studies, and has developed a number of the field's neologisms and key concepts, such as hybridity, mimicry, difference, and ambivalence. Such terms describe ways in which colonised people have resisted the power of the coloniser, according to Bhabha's theory. In 2012, he received th

Homi K. Bhabha (b. 1949) is a literary and cultural critic, influential theorist of postcolonial culture, and engaged advocate for the humanities. While easily understood as a postcolonial theorist, the range of his interests means it is perhaps better to characterize his work in terms of vernacular or translational cosmopolitanism.

HOMI BHABHA Mimicry reveals something in so far as it is distinct from what might be called an itself that is behind. The effect of mimicry is cam-ouflage.... It is not a question of harmoniz- ing with the background, but against a mottled background, of becoming mottled- exactly like the technique of camouflage practised in human warfare.
