### *Training Available Through CISA | CISA*

Training manuals are an important part of teaching new employees about a company, or old employees about new systems or programs. The exact process for writing a training manual may be dictated by the industry it is for, but there are some general things you can do to help your employees get the most out of the manual.

### *3 Ways to Write a Training Manual - wikiHow*

This Manual Handling Training Course helps employers ensure that they and their employees are sufficiently trained in the principles and practices of safe manual handling.
