These book is actually a trilogy of 3 books by author Elie Wiesel. The first is his memoir, Night, and it was superb! A very honest and heartfelt memoir about the sufferings of this sensitive and insightful man and his family during the holocaust. Dawn was a novel with some truth in it and was pretty good.

In the beginning I had some trouble to understand why this is called a trilogy. 'Night' is a Holocaust memoir, while 'Dawn' and 'Day' are fiction novels. But in the end I understood. One that had live what Wiesel and so many more lived can't forget that past, can't live without seeing images from that time everywhere.

Dawn: A Novel (Night Trilogy Book 2)  
by Elie Wiesel (Author) , Frances  
Frenaye (Translator) 4.3 out of 5 stars  
(195)

The shadows recede from a lost temple in a forgotten wilderness. The sun rises on a new calling for a man as loyal as he is mysterious. The day's beginning finds Erevis Cale holding in his steady hands more power than he dared hope for - and more responsibility than he ever imagined. For now, he will have to put his trust in a god served by thieves and born of chaos.

takes fantasy to new heights in his thrilling new epic as unlikely allies struggle to keep the light of hope burning against a tide of unending darkness... Noreela teeters on the brink of destruction, but at its center pulses a magic grown stronger than ever before. Now the Mages have raised an army of terrifying warriors and unstoppable war machines. Their goal: the annihilation of all Noreela through a reign of bloodshed and death unlike any ever imagined. But Noreela's last survivors will not go quietly into the never-ending darkness. One man will lead a desperate band of rebels, including a witch, a fledgling miner, and a dreaming librarian. For an ancient prophecy predicts that the future of magic will emerge in a child still unborn—if only our heroes can stay alive until dawn.

Three works deal with a concentration camp survivor, a hostage holder in Palestine, and a recovering accident victim.

The ancient menace has finally escaped from Lalonde, shattering the Confederation's peaceful existence. Those who succumbed to it have acquired godlike powers, but now follow a far from divine gospel as they advance inexorably from world to world. On planets and asteroids, individuals battle for survival against the strange and brutal forces unleashed upon the universe. Governments teeter on the brink of anarchy, the Confederation Navy is dangerously over-stretched, and a dark messiah prepares to invoke his

own version of the final Night. In such desperate times the last thing the galaxy needs is a new and terrifyingly powerful weapon. Yet Dr. Alkad Mzu is determined to retrieve the Alchemist -- so she can complete her thirty-year-old vendetta to slay a star. Which means Joshua Calvert has to find Dr Mzu and bring her back before the Alchemist can be reactivated. But he's not alone in the chase, and there are people on both sides who have their own ideas about how to use the ultimate doomsday device. THE NEUTRONIUM ALCHEMIST is the second novel in the Night's Dawn Trilogy, an extraordinary feat of storytelling on a truly epic scale.

fighting feels almost limitless. But while her mother, the queen, remains busy at the war front, in the Dark Kingdom of Dorjhalon, the corrupt king is plotting. King Bain wants control of both kingdoms, and his plan will fling Evelayn into the throne much sooner than she expected. In order to defeat Bain and his sons, Evelayn will quickly have to come into her ability to shapeshift, and rely on the alluring Lord Tanvir. But not everyone is what they seem, and the balance between the Light and Dark comes at a steep price. In the first book of a remarkable duology, Sara B. Larson sets the stage for her reimagining of Swan Lake -- a lush romance packed with betrayal, intrigue, magic, and adventure.

2600 the human race is finally beginning to realize its full potential. Hundreds of colonized planets scattered across the galaxy host a multitude of prosperous and wildly diverse cultures. Genetic engineering has pushed evolution far beyond nature's boundaries, defeating disease and producing extraordinary spaceborn creatures. Huge fleets of sentient trader starships thrive on the wealth created by the industrialization of entire star systems. And throughout inhabited space the Confederation Navy keeps the peace. A true golden age is within our grasp. But now something has gone catastrophically wrong. On a primitive colony planet a renegade criminal's chance encounter with an utterly alien entity unleashes the most primal of all our fears. An extinct
