A Wall Street Journal bestseller.. The stakes are personal, hot, and dangerous in New York Times bestselling author Susan Stoker ' s riveting Mountain Mercenaries novel.. As tough as Everly Adams may be, the Colorado Springs SWAT officer is near a breaking point. Her fifteen-year-old half sister, Elise, has disappeared from Los Angeles without a trace, and the window to find her is closing fast.

Love is a life-and-death risk for the Mountain Mercenaries in New York Times bestselling author Susan Stoker's explosive series of alpha heroes, hot action, and hard passion... Ever since his rescue op off the Pacific Coast, Mountain Mercenary Gray Rogers hasn't been able to forget his latest "job"--Allye Martin. Any other woman would have panicked during a rescue, but the wily dancer kept her cool--even after being kidnapped by an elusive human trafficker. And Gray couldn't be happier when a grateful Allye follows him home to Colorado Springs... For Allye, finding sanctuary in the arms--and bed--of the former Navy SEAL is only temporary. People are disappearing off the streets of San Francisco, victims of the same underground trade that targeted her, and Allye could be the key to dismantling the entire operation. She's willing to do anything to bring them down. Gray isn't--for good reason. But you don't say no to a tough girl like Allye who refuses to play it safe. Now Gray is risking more than ever before. The Mountain Mercenaries have his back. But is it enough to keep the woman he loves out of harm's way?

How far will one man go to save the life of a stranger? More importantly to Caroline, will he do it twice? Matthew "Wolf" Steel hated flying commercial. Luckily his job as a Navy SEAL meant he didn't have to do it very often. He'd been unlucky enough to be assigned a middle seat on the cramped jet, but fortunately for him, the woman next to him was willing to switch seats with him. Hoping for a relaxing flight, Wolf was pleasantly surprised at the good conversation and sense of humor the woman had as they flew 36,000 feet over the countryside. When Caroline boarded the plane to Virginia to move across the country for her new job she never expected to be seated next to the hottest guy she'd ever seen. She also never expected he'd be so easy to talk to. She knew he'd never be interested in talking to her if he hadn't been trapped in the seat next to her, but it was a nice way to spend a long plane ride. Neither Wolf nor Caroline were prepared for a terrorist hijacking of their plane, but if Caroline thought that would be the last time she'd see, or need, Wolf, she'd be sorely mistaken. **Protecting Caroline is a stand-alone

love story. Rin Velt and her twin sister Tina have grown up under a curse, just like all the women of their bloodline. They've known since childhood that Tina must find her true love before their twenty-fifth birthday to end the curse once and for all. It's been Rin's lifelong task to find the family heirloom—a rare and mystical ring—that would aid Tina in her search. As for Rin's true love? She's not the one who must end the curse. And, between her job and her relentless search for the ring, she has no time to look for love anyway. But what if love is looking for her? When Roman Reese appears in Rin's life, as if straight from her reoccurring dreams, and outside forces threaten to snatch him away from her forever, she learns just how powerful true love can be.

Four stories by Susan Stoker, including Caroline's Surprise, Carnal Comfort, Best Christmas Ever, and First Kiss. Caroline's Surprise- Caroline thinks her husband, Matthew "Wolf" Steel, is taking her out to dinner for their twenty-fifth anniversary, but he's got a bigger surprise in store. Carnal Comfort - When Trigger finds his girlfriend having a nightmare on their couch, he's surprised and unhappy she left their bed to suffer alone. But when he asks what he can do to help, he's even more surprised by the answer. Best Christmas Ever- When Chris and Sienna meet during an accident in Texas, the perfect strangers soon discover they're inexplicably linked...in more ways than one. Coincidence? Perhaps. Or maybe the makings of their very own Christmas miracle. First Kiss- Annie Fletcher is far more tomboy than girly-girl; Frankie Sanders has a disability most boys don't have to endure. But in each other's eyes, they're perfect-and the teen sweethearts have waited nearly a decade for their first kiss. If they can find more than a few minutes alone during his holiday visit, Frankie and Annie's Christmas promises to be the most magical ever.

A stolen past The only thing Tucker remembers of his past is pain. Used in a doctor ' s evil experiments, his memories and identity were erased, and his freedom taken. He believed his nightmare was over when he was liberated by the men and women of McKay-Taggart, until he heard the name Steven Reasor. The idea that he could have been involved in the terrible experiments that cost his " brothers " everything crushed him. A desperate attempt to force him to remember the truth almost cost him his life. Now his world is in chaos and his only path to finally uncover the truth and atone for his sins leads to Veronica Croft. A painful present Veronica " Roni " Croft knew Dr. Steven Reasor was bad for her, but she also saw a side of the man that no one else knew. Even as she began to believe their employer was hiding something sinister, she was drawn to him like a moth to a flame. Their affair was passionate and intense, but also fraught with danger. When he disappeared under mysterious circumstances, she took her first chance to run and never looked back. She has stayed hidden ever since, running from forces she knows are too powerful to overcome. But now the man she believed was dead, the man she mourned, has returned and needs her help. A dangerous future As Tucker and Roni unravel the secrets of his past, a dark force rises and threatens to destroy them. Their only chance for survival will require them to join forces with the Lost Boys ' worst enemy. Only together can they finally unlock Tucker ' s past. But as Tucker ' s memories begin to come back, will it free them both or tear them apart forever?

From New York Times and USA Today bestselling author Susan Stoker comes a new story in her Delta Force Heroes series... After years of estrangement, Mercedes Laughlin has finally reconciled with her older brother. It should be the happiest time of her life, getting to know Truck and his new wife...and it would be, if an ex wasn ' t causing her trouble. Add in Truck ' s boss, Colonel Colton Robinson, an amazingly distracting man whom she met under embarrassing circumstances, and Macie ' s got a bit more on her plate than she can handle. From the moment they met, Colt was fascinated by Macie, and helping her through an

anxiety attack at her brother ' s wedding didn ' t diminish the appeal. He ' d do his best to sweep her off her feet, if not for a little voice telling him to tread lightly—until a frantic phone call changes the plan. Macie ' s being targeted, and Colt ' s determined to keep her safe while he and her brother eliminate the threat. Colt isn ' t about to let his friend lose his sister again so soon...or miss his own chance at a happy ending with Macie before they ' ve barely had a beginning. ** For fans of Susan ' s Delta Force Heroes, Rescuing Macie is book eleven in that series** **Every 1001 Dark Nights novella is a standalone story. For new readers, it ' s an introduction to an author ' s world. And for fans, it ' s a bonus book in the author ' s series. We hope you'll enjoy each one as much as we do.**

Just when he thinks he ' s got the girl...life has a few more curveballs to throw his way. Ford “ Truck ” Laughlin and Mary Weston have weathered their share of storms over the last couple years. Truck ' s job, Mary ' s health. His bossiness, her bitchiness. All while dancing around their intense attraction. Mary ' s tried to push him away for his own good but Truck won ' t let her give up...on herself or on them. Just when she decides they deserve a fair shot, disaster strikes. Truck has wanted Mary since the moment he saw her. The prickly woman pushes all his buttons and looks beyond his scarred exterior, something few women have managed. His plan to take their relationship to the next level is stalled when he ' s injured on a mission. And he ' s barely feeling like his old self again before the couple is dealt another blow, one that could permanently end their chances...and their lives. **Rescuing Mary is the 9th book in the Delta Force Heroes Series. Usually my books are stand-alones, but in this case, I feel you would get more enjoyment out of the story if you read the other books first, since Mary and Truck ' s relationship evolves throughout the series. If nothing else, I recommend reading the first book in the series, Rescuing Rayne, where their relationship began. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Susan Stoker is the master of military romantic suspense. Meeting the right person is rare, but when the opportunity calls...you answer. Aspen "Blade" Carlisle is the last of his Delta Force team to find love...and he's pretty bummed about that fact. Which might explain why he finds himself chatting up a telemarketer as if she's a long-lost friend. But Wendy is surprisingly easy to talk to, so when they go from occasional calls during her work, to nightly conversations on their cells, it somehow feels right. So right, Blade eventually convinces the funny, sweet woman to meet him in person. When their first face-to-face meeting gets high-jacked, Wendy Tucker is sure she and Aspen made a big mistake in taking their relationship to the next level. But the man is nothing if not persistent. Before long, Wendy's allowing the handsome soldier to spend more time with her and Jack, the teen brother she's raising, than anyone she's ever dated. Though she knows there are limits to how close she can get to Aspen, no matter how much she likes him. Limits carefully constructed to protect Wendy and Jack from a past they've been running from for years. But dating Blade means having an entire team of Deltas at her back. Which may come in handy not just with Wendy's past...but also when her brother faces a current threat. **Rescuing Wendy is the 8th book in the Delta Force Heroes Series.
