Black Clouds and Silver Linings is the tenth full length album from Dream Theater, and in my opinion ranks as one of the best albums they've put out. I'm not a huge fan of their earlier music, from When Day and Dream Unite(their first album) until Metropolis Pt. 2: Scenes From A Memory, which I consider the bands high point and the high point of the entire progressive/rock/metal scene.

Excerpt: Dream Theater is an American progressive metal band formed in 1985 under the name Majesty by John Petrucci, John Myung, and Mike Portnoy while they attended Berklee College of Music in Massachusetts. They subsequently dropped out of their studies to further concentrate on the band that would ultimately become Dream Theater. Though a number of lineup changes followed, the three original members remained together along with James LaBrie and Jordan Rudess until September 8, 2010 when Portnoy left the band. In October 2010, the band held auditions for Portnoy's replacement drummer. Mike Mangini was announced as the new permanent drummer on April 29, 2011. The band finished recording a new album, A Dramatic Turn of Events, which is due September 13, 2011.. The band is well known for the technical proficiency of its instrumentalists, who have won many awards from music instruction magazines.
