Online Library Druids A Very Short Introduction Very Short Introductions

Religion plays a central role in human experience. Billions of people around the world practice a faith and act in accordance with it. Religion shapes how they enter the world and how they leave it - how they eat, dress, marry, and raise their children. It affects law, economy, and

Online Library Druids A Very Short Introduction

government. It sanctifies injustice and combats it. Beginning with the first signs of religion among ancient humans and concluding with a look at modern citizens and contemporary trends, leading scholar Thomas Tweed examines this powerful and enduring force in human society.

Religion: A Very Short Introduction offers

Cunliffe seeks to reveal this fascinating people for the first time, exploring subjects such as trade, migration, and the evolution of Celtic traditions, and examining such colourful characters as St Patrick, Cú Chulainn, and Boudica.

Impressive in every sense, this hugely

Online Library Druids A Very Short Introduction

ambitious and assured book takes as its subject the entire history of the British Isles from the end of the last Ice Age and their physical emergence as islands all the way down to the Norman Conquest. Barry Cunliffe's magisterial narrative is abetted by correspondingly high production values, and whilst complex ideas are

Online Library Druids A Very Short Introduction

Very Short Introductions explained with admirable clarity, making the book an ideal introduction to Britain's prehistory and early history, there would be plenty here for the most seasoned professional to enjoy and profit from. Cunliffe kicks off with an examination of the ways in which our ancestors have conceived the distant past, from medieval

Online Library Druids A Very Short Introduction

myths to the dawn of modern archaeology. The remainder of the book is roughly chronological in structure. Prominent themes include the 'problem of origins', where Cunliffe's own research has been of such significance (the Celtic from the west hypothesis is synthesised here with concision and flair), and the importance of

Online Library Druids A Very Short Introduction

Very Short Introductions
communication, connectivity and cultural transmission is emphasised throughout, with the Channel, the Atlantic and the North Sea seen as highways linking Britain and Ireland to the continent and building up an ongoing narrative which is anything but narrowly insular.

Online Library Druids A Very Short Introduction

The languages of the world can be seen and heard in cities and towns, forests and isolated settlements, as well as on the internet and in international organizations like the UN or the EU. How did the world acquire so many languages? Why can't we all speak one language, like English or Esperanto? And what makes a person

Online Library Druids A Very Short Introduction

bilingual? Multilingualism, language diversity in society, is a perfect expression of human plurality. About 6,500-7,000 languages are spoken, written and signed, throughout the linguistic landscape of the world, by people who communicate in more than one language (at work, or in the family or community). Many origin myths,

Online Library Druids A Very Short Introduction

like Babel, called it a 'punishment' but multilingualism makes us who we are and plays a large part of our sense of belonging. Languages are instruments for interacting with the cultural environment and their ecology is complex. They can die (Tasmanian), or decline then revive (Manx and Hawaiian), reconstitute from older

Online Library Druids A Very Short Introduction

forms (modern Hebrew), gain new status (Catalan and Maori) or become autonomous national languages (Croatian). Languages can even play a supportive and symbolic role as some territories pursue autonomy or nationhood, such as in the cases of Catalonia and Scotland. In this Very Short

Online Library Druids A Very Short Introduction

Introduction John C. Maher shows how multilingualism offers cultural diversity, complex identities, and alternative ways of doing and knowing to hybrid identities. Increasing multilingualism is drastically changing our view of the value of language, and our notion of the part language plays in national and cultural

Online Library Druids A Very Short Introduction

identities. At the same time multilingualism can lead to social and political conflict, unequal power relations, issues of multiculturalism, and discussions over 'national' or 'official' languages, with struggles over language rights of local and indigenous communities. Considering multilingualism in the context of

Online Library Druids A Very Short Introduction

globalization, Maher also looks at the fate of many endangered languages as they disappear from the world. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new

Online Library Druids A Very Short Introduction

subject quickly. Our expert authors
combine facts, analysis, perspective, new
ideas, and enthusiasm to make interesting
and challenging topics highly readable.

Ritual is part of what it means to be
human. Like sports, music, and drama,
ritual defines and enriches culture, putting

Online Library Druids A Very Short Introduction

those who practice it in touch with sources of value and meaning larger than themselves. Ritual is unavoidable, yet it holds a place in modern life that is decidedly ambiguous. What is ritual? What does it do? Is it useful? What are the various kinds of ritual? Is ritual tradition bound and conservative or innovative and

Online Library Druids A Very Short Introduction

transformational? Alongside description of a number of specific rites, this Very Short Introduction explores ritual from both theoretical and historical perspectives. Barry Stephenson focuses on the places where ritual touches everyday life: in politics and power; moments of transformation in the life cycle; as

Online Library Druids A Very Short Introduction

performance and embodiment. He also discusses the boundaries of ritual, and how and why certain behaviors have been studied as ritual while others have not. Stephenson shows how ritual is an important vehicle for group and identity formation; how it generates and transmits beliefs and values; how it can be used to

Online Library Druids A Very Short Introduction

exploit and oppress; and how it has served as a touchstone for thinking about cultural origins and historical change.

Encompassing the breadth and depth of modern ritual studies, Barry Stephenson's Very Short Introduction also develops a narrative of ritual's place in social and cultural life. ABOUT THE SERIES: The

Online Library Druids A Very Short Introduction
