Linguistics has been a part of our civilization from times immemorial. You ' re about to embark on a trip that will take you throughout history, from the earliest forms of languages to the modern-day slang you hear every day on the street, from the languages of the native-American populations to the ancient Sanskrit. Our linguistics-related trivia will put your skills to the test.

Studying English Language and Linguistics will enable you to discover the changing shape of English over time and space, and the science behind language acquisition, processing and communication. You ' ll engage with theories of how language works as well as hands-on analysis of linguistic data. The challenging integration of theory and practice will enable you to become a uniquely-skilled analytical thinker and problem-solver.
