About Flight Volume Two. The graphic novel anthology that solidified the stature of the FLIGHT series as one of the most thoughtful, beautifully rendered works in the field. "Last year, the first volume of Flight introduced a squadron of talented young cartoonists whose anime/animation influence struck a fresh note among jaded comics readers. This edition shows substantial growth while introducing some veterans, such as Jeff Smith (Bone) and Doug TenNapel (Creature Tech)...The sheer force of ...

Until Dec. 1, 2020, however, Southwest is only booking flights to two-thirds capacity (about 67%), so middle seats can remain open. You and your family or friends can still sit three across and fill the middle, if you wish. But, otherwise, you're almost guaranteed to have extra elbow room when flying Southwest until the calendar flips to ...
