The diplomatic foreign relations of the United Kingdom are conducted by the Foreign and Commonwealth Office, headed by the Secretary of State for Foreign and Commonwealth Affairs. The Prime Minister and numerous other agencies play a role in setting policy, and many institutions and businesses have a voice and a role.

Foreign relations of the United Kingdom - Wikipedia

Reconceived, reorganised, and updated, this book remains a model of clarity. It is all about understanding the United States and its place in world affairs. The book travels through the mysteries of the U.S. constitutional system as it governs U.S. foreign relations. It explains how the U.S. government acts on the world scene — the respective authority of the president and Congress in making foreign policy and conducting foreign relations, conflict and co-operation between them in ...

Foreign Affairs and the United States Constitution ...

The Biden foreign policy agenda will place the United States back at the head of the table, in a position to work with its allies and partners to mobilize collective action on global threats. The world does not organize itself. For 70 years, the United States, ...

The foreign policy of the United States is its interactions with foreign nations and how it sets standards of interaction for its organizations, corporations and system citizens of the United States.

Foreign policy of the United States - Wikipedia

Analysts within the Chinese foreign policy establishment are pleased to see that the Biden foreign policy team features many seasoned professionals with reputations for sensible diplomacy. It has been widely observed in both China and the United States that Biden and Xi maintained a long and friendly working relationship during their overlapping tenures as vice presidents of their respective ...

Biden's Election Raises Hopes and Doubts in Beijing ...

U.S. foreign policy is stronger when it enjoys bipartisan support. For the United States to play a steady, stabilizing role in world affairs, its allies and adversaries must know that its government speaks with one voice and that its policies won't shift dramatically with changing domestic political winds. The best way to ensure that clarity and consistency is to pursue policies that are guided by American values of freedom, openness, opportunity, and inclusivity—and that have the ...

A Bipartisan Foreign Policy Is Still Possible | Foreign ...

Foreign Secretary Dominic Raab comments on the disqualification of four pro-democracy lawmakers in Hong Kong. Nagorno-Karabakh: UK to provide food and medicine to people affected by the conflict ...

A government forged in a revolution for which anti-Americanism was a core principle feels more threatened by the perception that it has capitulated to the United States than it does by economic hardship.

Iran and the United States Both Think ... - Foreign Affairs

In our piece "American Support for Taiwan Must Be Unambiguous," which appeared in Foreign Affairs on September 2, we argued the United States ought to adopt a policy of strategic clarity, making explicit that it would respond to any Chinese use of force against Taiwan. Given an increasingly assertive China with significant and growing military capabilities, and mounting doubts as to U.S ...
