Since the 1970s, there has been increasing concern with the impact of (post)colonialism on British identities and culture. White Teeth by Zadie Smith is the story of three families from three different cultural backgrounds, set mostly in multicultural London. The first part of this book provides an overview of the former British Empire, the Commonwealth and the history of Bangladesh, Jamaica and the Jews in England as relevant to White Teeth. Following this, the role of the (former) centre of London will be presented. Subsequently, definitions and postcolonial theories (Bhabha, Said etc.) shall be discussed. The focus of this book is on life in multicultural London. The main aspects analysed in these chapters deal with

identity, the location where the novel is set and racism. A further aim of the book is a comparison between the fictional world of *White Teeth* and reality. One chapter is devoted to the question of magic realism and the novel's position between two worlds. In a summary, the writer hopes to convince the readers of the fascination felt when reading the novel and when plunging into the buzzing streets of contemporary multicultural London.

The Wet Tropics is a World Heritage area covering almost 900,000 hectares between Townsville and Cooktown in Far North Queensland Australia. This book features over 200 different sites in this area including waterfalls, mountain streams, major rivers, lakes, swamps, swimming holes, and all types of fresh water that is easily accessible to the general public. With maps and GPS settings it shows how to reach these places, and over 300 beautiful images show what to expect when you get there.

Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information. Covers Chevy S-10 and GMC Sonoma pickups (1994-2004), Blazer and Jimmy (1995-2004), GMC Envoy (1998-2001), and Oldsmobile Bravada & Isuzu Hombre (1996-2001).
