Debbie Allen's Garden Notes from Muddy Creek is a monthly guide to tending ornamental perennials. In an informative and anecdotal style, Debbie discusses all aspects of caring for perennials, from pruning, planting, weeding and soil tending, to watering, preventive measures for disease and pest control, and even the ins and outs of making home compost. Her book is illustrated by Hannah Firmin whose block prints charmingly depict gardening life at Muddy Creek. Hannah is an English illustrator who won best book cover of the year from the prestigious British Book Awards in 2004. Debbie states, This is the book I wish someone had given me in my early gardening years.

In the beginning, there was the river – before the beach, before the drain, before the dredging, before the dams, before numerous other actions that altered the stream. River Dreams reveals the complex history of the Cooks River in south-eastern Sydney – a river renowned as Australia’s most altered and polluted. While nineteenth century developers called it ‘improvement’, the sugar mill, tanneries, and factories that lined the banks of Sydney's Cooks River had drastic consequences for the health of the river. Local Aboriginal people became fringe dwellers, and over time the river became severely compromised, with many ecosystems damaged or destroyed. Later, a large section was turned into a concrete canal, and in the late 1940s the river was rerouted for the expansion of Sydney Airport. While much of the river has been rehabilitated in recent decades by passionate local groups and through government initiatives, it continues to be a source of controversy with rapid apartment development placing new stresses on the region. River Dreams is a timely reminder of the need to tread cautiously in seeking to dominate, or ignore, our environment. A beautiful book that reminds us that Australians are river people as much as we are bush or coast dwellers.’ – IAN HOSKINS

Womanist approaches to the study of religion and society have contributed much to our understanding of Black religious life, activism, and women's liberation. Deeper Shades of Purple explores the achievements of this movement over the past two decades and evaluates some of the leading voices and different perspectives within this burgeoning field. Deeper Shades of Purple brings together a who's who of scholars in the study of Black women and religion who view their scholarship through a womanist critical lens. The contributors revisit Alice Walker's definition of womanism for its viability for the approaches to discourses in religion of Black women scholars. Whereas Walker has defined what it means to be womanist, these contributors define what it means to practice womanism, and illuminate how womanism has been used as a vantage point for the theoretical orientations and methodological approaches of Black women scholar-activists. Contributors: Karen Baker-Fletcher, Katie G. Cannon, M. Shawn Copeland, Kelly Brown Douglas, Carol B. Duncan, Stacey M. Floyd-Thomas, Rachel Elizabeth Harding, Rosemarie Freeney Harding, Melanie L. Harris, Diana L. Hayes, Dwight N. Hopkins, Ada Maria Isasi-Diaz, Cheryl A. Kirk-Duggan, Kwok Pui-Lan, Daisy L. Machado, Debra Majeed, Anthony B. Pinn, Rosetta Ross, Letty M. Russell, Shani Settles, Dianne M. Stewart, Raedorah Stewart-Dodd, Emilie M. Townes, Traci C. West, and Nancy Lynne Westfield.
