matches that which he had with the bat. In his new book, Key reflects on the past and present of an ever-unforgiving game, in so doing shining light into the darkest recesses of the dressing-room. What he finds there is as amusing as it is shocking, as farcical as it is fascinating. Known as one of the sharpest cricket brains around, Key casts a knowledgeable and sometimes acerbic eye over such areas as fitness, captaincy, and sledging, while delivering a close-up view of some of the biggest names in the game. More than anything, Key reveals just what it is to be a professional cricketer, the camaraderie, the comedy, and, of course, the calamity.

The measure of a great coach is bringing the best out of athletes. This is the first guide to motivational interviewing (MI)--the proven approach to harnessing the power of conversations to build relationships and trust--for coaches, sport psychologists, training and rehabilitation specialists, and other affiliated staff. Revealing why conventional ways of giving feedback and addressing conflict are often counterproductive, the book presents tried-and-tested methods for getting through to athletes and helping them to thrive. Leading sport psychologists and MI experts--including MI cofounder Stephen Rollnick--provide effective strategies to fire up motivation, promote ownership of personal goals, address problem behavior on and off the field, enhance performance, and improve teamwork. Included are step-by-step examples and inspiring stories from coaches at all levels. Purchasers get access to a Web page where they can download and print the book's reproducible quick-reference sheets on key MI skills. This book is in the Applications of Motivational Interviewing series, edited by Stephen Rollnick, William R. Miller, and Theresa B. Moyers.

The period from 1993 has been one of the most successful in the history of Glamorgan CCC, with both league and cup victories. This is the story of this wonderful period, told in the players' own words, and supported by superb photographs by Huw John. It will appeal to all Glamorgan CCC supporters.

A Sunday Times bestseller | A New York Times Book Review Editors' Choice Named a best book of the year by The Economist | Financial Times | New Statesman | The Telegraph "[Putin's People] will surely now become the definitive account of the rise of Putin and Putinism." —Anne Applebaum, The Atlantic "This riveting, immaculately researched book is arguably the best single volume written about Putin, the people around him and perhaps even about contemporary Russia itself in the past three decades." —Peter Frankopan, Financial Times Interference in American elections. The sponsorship of extremist politics in Europe. War in Ukraine. In recent years, Vladimir Putin's Russia has waged a concerted campaign to expand its influence and undermine Western institutions. But how and why did all this come about, and who has orchestrated it? In *Putin's People*, the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country. Delving deep into the workings of Putin's Kremlin, Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs,

who in turn subverted Russia's economy and legal system and extended the Kremlin's reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB's revanche—a story that begins in the murk of the Soviet collapse, when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda, reasserting Russian power while taking control of the economy for themselves, suppressing independent voices, and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn's Brighton Beach—and assembling a colorful cast of characters to match—Putin's People is the definitive account of how hopes for the new Russia went astray, with stark consequences for its inhabitants and, increasingly, the world.

The cricket world's bestselling pocket annual. The indispensable guide to the season. The Playfair Cricket Annual 2015 includes coverage of the 2014 season, including the LV= County Championship, Royal London One-Day Cup and the NatWest T20 Blast. It also contains: a detailed register of all current first-class county players and umpires, including career bests in international Twenty20 matches; county records and 2014 first-class averages; current county players' first-class and List A limited-overs career records; Test match scores and averages; women's limited-overs and international Twenty20 records; 2015 fixtures, including 2nd XI and Minor Counties. New features this year include county players' squad numbers listed, as well as any IPL and Big Bash appearances, plus a new players' register for England's women internationals.

From Mumbai and Lahore to the Highveld of the Transvaal and in his native Wales, Alan Wilkins is internationally known and admired as an accomplished sports broadcaster. Growing up as a talented young cricketer in 1970s Cardiff, Alan dreamt of a life in sport and yearned to travel the world but, as he reveals in *Easier Said Than Done*, he could never have imagined he would realise his dream via a microphone and camera rather than with a bat and a ball. With great humility and humour, Alan Wilkins tells the fascinating story of how he swapped the life of a sports teacher for a career as a professional cricketer with Glamorgan and Gloucestershire – taking over 370 wickets and playing in the 1977 Gillette Cup final – and how it was brought to a devastating end in 1983 by a debilitating shoulder injury. Determined that his Life in Sport would not end after his enforced retirement from cricket, Alan vividly describes how, with determination and enthusiasm, he embarked on a new and successful career in sports broadcasting which has seen him commentate on many of the world's greatest sporting occasions – from Wimbledon to The Masters and from the Rugby World Cup to the Indian Premier League and Pakistan Super League – and how he has forged lifelong friendships with many legends of the sporting world. Millions of sports fans know Alan Wilkins the broadcaster but now, with *Easier Said Than Done*, they can get to know the man behind the microphone and the absorbing story of his Life in Sport.

A boy's coming of age early this century in a village in Wales. A tale of poverty, failed strikes, death, madness, and refuge in religion. The late author was a poet and journalist.
