Handbook of cereal science and technology  
(Book, 1991 . . .)

Cereal Science. Cereal Science is an academic program with a mission to train and educate students in the discipline of cereal/grain science through research, teaching and service. Cereal Science is a graduate only program whereby M.S. and Ph.D. students will gain knowledge and comprehension of the composition, functionality and utilization of cereals/grains that will allow them to solve and analyze challenges within their field of employment.
