Handbook of Military Law: Amazon.co.uk: Scott, Austin ...

Professor Scott's "Handbook of Military Law" is of comparatively ephemeral interest. It was intended mainly to meet the needs of the members of the Students' Army Training Corps in the colleges of the United States, all of whom in the fall of 1918 were required to take a three months' course on military law and practice, including three subjects: Military law, international military customs ...

Handbook of Military Law | Legal Outlet

Edited by Terry D. Gill and Dieter Fleck. Description. The second edition of this well received handbook provides a comprehensive overview and annotated commentary of those areas of international law most relevant to the planning and conduct of military operations. It covers a wide scope of military operations, ranging from operations conducted under UN Security Council mandate to (collective) self-defence and consensual and humanitarian operations and identifies the relevant legal bases and ...
