Includes the Committee's Reports no. 1-1058, reprinted in v. 1-37.

The New York Times and USA Today bestseller! "...a hauntingly atmospheric love letter to the first mobile library in Kentucky and the fierce, brave packhorse librarians who wove their way from shack to shack dispensing literacy, hope, and — just as importantly — a compassionate human connection."—Sara Gruen, author of *Water for Elephants* The hardscrabble folks of Troublesome Creek have to scrap for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler. Inspired by the true blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service of the 1930s, *The Book Woman of Troublesome Creek* is a story of raw courage, fierce strength, and one woman's belief that books can carry us anywhere—even back home. Additional Praise for *The Book Woman of Troublesome Creek*: "A unique story about Appalachia and the healing power of the written word."—Kirkus "A timeless and significant tale about poverty, intolerance and how books can bring hope and light to even the darkest pocket of history."—Karen Abbott, New York Times bestselling author of *Liar* *Tempress Soldier Spy* "Emotionally resonant and unforgettable, *The Book Woman of Troublesome Creek* is a lush love letter to the redemptive power of books."—Joshilyn Jackson, New York Times and USA Today bestselling author of *The Almost Sisters*

A young food writer's witty and irresistible celebration of her mom's "Indian-ish" cooking—with accessible and innovative Indian-American recipes

Originally published in 1979, *The Concordance to Conrad's Victory* is intended to provide access to certain information on the text of the novel in a manner convenient to Conrad scholars. To this end the authors have included an alphabetical list of word frequencies and a type/token ratio table as well as a list of word frequencies in rank order. In the concordance itself, each specific word in the text is listed in alphabetical order along with an identifier number and a context for the word. This volume is part of a series which produced verbal indexes, concordances, and related data for all of Conrad's works.

Originally published in 1981, this concordance to *A Set of Six* will assist readers in understanding the vocabulary of a group of stories of considerable artistic merit and also of importance to our grasp of Conrad's total works. It is particularly important, however, that this volume of tables be available to the serious scholar of Conrad, because it provides a basis for comparison of his various short works. This volume gives a verbal index, listing all the words used by Conrad in *A Set of Six* with the page and line number in which the word occurs. The user turns from the verbal index to the field of reference to see the word in its full context. This volume is part of a series which produced verbal indexes, concordances, and related data for all of Conrad's works.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, the *Register of Debates in Congress (1824-1837)*, and the *Congressional Globe (1833-1873)*
