A great modern classic and the prelude to The Lord of the Rings. Bilbo Baggins is a hobbit who enjoys a comfortable, unambitious life, rarely traveling any farther than his pantry or cellar. But his contentment is disturbed when the wizard Gandalf and a company of dwarves arrive on his doorstep one day to whisk him away on an adventure. They have launched a plot to raid the treasure hoard guarded by Smaug the Magnificent, a large and very dangerous dragon. Bilbo reluctantly joins their quest, unaware that on his journey to the Lonely Mountain he will encounter both a magic ring and a frightening creature known as Gollum. "A glorious account of a magnificent adventure, filled with suspense and seasoned with a quiet humor that is irresistible. . . . All those, young or old, who love a fine adventurous tale, beautifully told, will take The Hobbit to their hearts." - New York Times Book Review

A Teacher's Guide to The Hobbit is designed for grades 7-12, but gravitates more towards the intermediate level/middle grade. If followed closely, A Teacher's Guide to The Hobbit will take approximately 12 weeks to go through. The guide works well for class novel studies or for homeschooling. Included in this guide are pre-reading activities, chapter by chapter activities, assessments, and assignments that tie the whole book together.

An incisive reinterpretation of New Deal diplomacy.

This book provides step-by-step procedures, student hand-outs, and samples of student work.

Explores the literary theme of the hero's journey in twenty essays covering works by authors as varied as Virgil and Maxine Hong Kingston.

Culls together important criticism of fantastic literature from Plato and Aristotle to present critics.

At the 2013 "Celebrating The Hobbit" conference at Valparaiso University--marking the 75th anniversary of the book's publication and the first installment of Peter Jackson's Hobbit movies--two plenary papers were presented: "Anchoring the Myth: The Impact of The Hobbit on Tolkien's Legendarium" by John D. Rateliff provided numerous examples of The Hobbit's influence on Tolkien's legendarium; and "Tolkien's French Connections" by Verlyn Flieger discussed French influences on the development of Bilbo Baggins and his adventures. In discussions with the plenary speakers and other presenters, it became apparent that a book focusing on how The Hobbit influenced the subsequent development of Tolkien's legendarium was sorely needed. This collection of 15 previously unpublished essays fills that need. With Rateliff's and Flieger's papers included, the book presents two chapters on the Evolution of the Dwarven Race, two chapters on Durin's Day examining the Dwarven lunar calendar, and 11 chapters on themes exploring various topics on influences and revisions between The Hobbit and Tolkien's legendarium.

This book constitutes the thoroughly refereed post conference proceedings of the third edition of the Semantic Web Evaluation Challenge, SemWebEval 2016, co-located with the 13th European Semantic Web conference, held in Heraklion, Crete, Greece, in May/June 2016. This book includes the descriptions of all methods and tools that competed at SemWebEval 2016, together with a detailed description of the tasks, evaluation procedures and datasets. The contributions are grouped in the areas: Open Knowledge Extraction (OKE 2016); Semantic Sentiment Analysis (SSA 2016); Question Answering over Linked Data (QALD 6); Top-K Shortest Path in Large Typed RDF Graphs Datasets; Semantic Publishing (SemPub2016).

The Lord of the Rings rarely makes an appearance in college courses that aim to examine modern British and American literature. Only in recent years have the fantasies of J.R.R. Tolkien and his friend, C.S. Lewis, made their way into college syllabi alongside T.S. Eliot's The Waste Land or F. Scott Fitzgerald's The Great Gatsby. This volume aims to situate Tolkien and The Lord of the Rings within the literary period whose sensibility grew out of the 19th-century rise of secularism and industrialism, which culminated in the cataclysm of world war. During a pivotal moment in the history of Western culture, both Tolkien and his contemporaries--the literary modernists--engaged with the past in order to make sense of the present world, especially in the wake of World War I. While Tolkien and the modernists share many of the same concerns, their responses to the crisis of modernity are often antithetical. While the work of the modernists emphasizes alienation and despair, Tolkien's work underscores the value of fellowship and hope.

Cambridge Global English (1-6) is a six-level Primary course following the Cambridge Primary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. Teacher's Resource 4 provides step-by-step guidance notes for teachers for each lesson in every unit to support teaching the content of Learner's Book 4. Notes on Activity Book 4 are also included. A unit overview provides a snapshot of lesson objectives and the language and skills covered. The notes include answer keys to activities in the Learner's Book and Activity Book, complete audio scripts, suggestions for differentiation and assessment, cross-curricular links, portfolio opportunities and additional unit-linked photocopiable activities and unit-based wordlists.
