OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

The Book of Job, among the greatest masterpieces of world literature, deserves a commentary alert both to the windings of its arguments and to the massive theological problem it raises: the conflict of faith and experience, that is, does it have to do primarily with the why of suffering, or is the chief issue rather the problem of the moral order of the world, of the principles on which it is governed? While many feel that Job is too long, full of windy and tedious words,

Professor David J .A. Clines shows in detail how every element is essential and how only the interweaving of literary and theological perspectives can reveal the richness of the writing. To this end, he supplies a uniquely comprehensive General Bibliography (as well as pericope bibliographies), unrestricted by scholarly apartheid, which includes works of sermons and popular devotions valuable for their theological and spiritual insights. A verse-by-verse commentary, this volume never loses sight of the forest for the trees and, especially in the Explanation sections, constantly surveys the progress of the Book of Job. A particular focus is the unraveling of the arguments and the identification of the distinctive viewpoints of the

## Word Biblical Commentary

book's speakers. The textual Notes, which center on explaining why the English versions of Job differ so amazingly from one another, support the author's carefully worded Translation. In his Introduction, Professor Clines says: "Reading and close-reading the Book of Job, the most theologically and intellectually intense book of the Old Testament, is a perennially uplifting and not infrequently euphoric experience. The craftsmanship in the finest details, the rain of metaphors, the never-failing imagination of the poet are surpassed only by the variety and delicacy of the theological ideas and the cunning of this most open of texts confronting its readers with two new questions along with any answer."

## Word Biblical Commentary

A companion series to the acclaimed Word Biblical Commentary. Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths. These themes and ideas are often like precious gems: they lie beneath the surface and can only be discovered with some difficulty. While commentaries are useful for helping readers understand the content of a verse or chapter, they are not usually designed to help the reader to trace important subjects systematically within a given book a Scripture. The Word Biblical Themes series helps readers discover the important themes of a book of the Bible. This series distills the

## Word Biblical Commentary

theological essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship, and discipleship of God's people. Volumes in this series:

- Written by top biblical scholars
- Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series
- Distill deep and focused study on a biblical book into the most important themes and practical applications of them
- Give reader's an ability to see the "big picture" of a book of the Bible by understanding what topics and concerns were most important to the biblical writers
- Help address pressing issues in the church today by showing readers see how the biblical writers approached

## Word Biblical Commentary

devotional interpretation.

THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures. Notable features include: \* commentary based on THE NEW INTERNATIONAL VERSION; \* the NIV text printed in the body of the commentary; \* sound scholarly methodology that reflects capable research in the original languages; \* interpretation that emphasizes the theological unity of each book and of Scripture as a whole; \* readable and applicable exposition.

Makes extensive use of ancient Near Eastern sources,

and employs medieval Jewish exegesis along with modern Israeli biblical scholarship.

In modern times Amos has come to be considered one of the most important prophets, mainly for his uncompromising message about social justice. This book provides a detailed exploration of this theme and other important elements of the theology underlying the book of Amos. It also includes chapters on the text itself, providing a critical assessment of how the book came to be, the original message of Amos and his circle, which parts of the book may have been added by later scribes, and the finished form of the book. The author also considers the

# File Type PDF Hosea Jonah Volume 31

## Word Biblical Commentary

book's reception in ancient and modern times by interpreters as varied as rabbis, the Church Fathers, the Reformers and liberation theologians. Throughout, the focus is on how to read the book of Amos holistically to understand the organic development of the prophet's message through the many stages of the book's development and interpretation.

Obadiah's oracle against Edom. Jonah's mission to the city of Nineveh. Micah's message to Samaria and Jerusalem. The texts of these minor but important prophets receive a fresh and penetrating analysis in this introduction and commentary. The authors consider each book's historical setting, composition,

## Word Biblical Commentary

structure and authorship, as well as important themes and issues. Each book is then expounded in the concise and informative style that has become the hallmark of the Tyndale series. The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series.

Joel's arresting imagery--blasting trumpet, darkened sun and marching hosts--has shaped the church's eschatological vision of a day of wrath. Amos's ringing indictments--callous oppression, heartless worship and self-seeking gain--have periodically awakened the conscience of God's people. Twenty-five-hundred

## Word Biblical Commentary

years after they were first born, those prophetic words never fail to awaken and arrest. Viewed against the background of their culture and society, artistry and context, these visions and oracles take on even more vibrant colors and cleaner lines. This commentary is a valuable guide to the fascinating world and challenging word of these two prophets. Ever mindful of the wider context and composition of these ancient but living texts, David Hubbard shows how Joel and Amos addressed Israel's mind and heart.
