Immortal by Gillian Shields is a fantasy YA novel focused on witches. I really enjoyed the first book in this series (aka this book, Immortal). The take it has on witches was different than what I had read about before, and I enjoyed it's uniqueness. It wasn't on my top list of YA books I read years ago, but it's still a good book.

Wyldcliffe Abbey School for Young Ladies, housed in a Gothic mansion on the bleak northern moors, is elite, expensive, and unwelcoming. When Evie Johnson is torn away from her home by the sea to become the newest scholarship student, she is more isolated than she could have dreamed. Strict teachers, snobbish students, and the oppressive atmosphere of Wyldcliffe leave Evie drowning in loneliness. Evie's only lifeline is Sebastian, a rebellious, mocking, dangerously attractive young man she meets by chance. As Evie's feelings for Sebastian grow with each secret meeting, she starts to fear that he is hiding something about his past. And she is haunted by glimpses of a strange, ghostly girl—a girl who is so eerily like Evie, she could be a sister. Evie is slowly drawn into a tangled web of past and present that she cannot control. And as the extraordinary, elemental forces of Wyldcliffe rise up like the mighty sea, Evie is faced with an astounding truth about Sebastian, and her own incredible fate. Gillian Shields's electrifying tale will dazzle readers with suspense, mysticism, and romance.

I am not like Evie. I don't belong in some great romance. I'm just the best friend in the background. Always there, always reliable, down-to-earth. Good old Sarah. That's how it's always been. Until now. At Wyldcliffe Abbey School for Young Ladies, Sarah is the faithful friend to Evie and Helen, her sisters in the Mystic Way. But this term Sarah finds that their friendship is tested. Evie is turning her back on the Mystic Way after laying her beloved Sebastian's soul to rest; Helen is distracted by her tormented relationship with her mother. Sarah struggles to keep the sisterhood together as the threat of attack looms from the dark coven and the Unconquered lords. All that keeps Sarah going is her connection with her earth powers and a promise she cannot break. When she must step out of the shadows and fight the eternal darkness, will her sisters join her, or will help come from unexpected sources, like her Romany ancestors and a love she'd only just dared hope for? In this companion to the dazzling Immortal and heart-stopping Betrayal, the suspense and magic are as strong as stone and as deep as the earth.

In *Destiny*, the fourth and final book in Gillian Shields's romantic, gothic Immortal series, Helen, Evie, and Sarah, the Sisters of the Mystic Way, must use their powers to battle for their souls. Malevolent forces haunt Wyldcliffe Abbey School for Young Ladies, the girls' elite boarding school on the English moors. Dr. Franzen, an evil man from Helen's past, has taken over as headmaster. And while Helen longs to believe her mother, the priestess of a coven of dark witches, has reformed, she fears her mother cannot be trusted. At least Helen can cling to the prediction that a love "beyond the confines of this world" is waiting for her. Could this be Lynton, the mysterious music student who visits Wyldcliffe for his lessons?

There's quite a difference between being big and being little... Whilst Big Sister roller skates, Little Sister hesitates, and whilst Big Sister plays princess, Little Sister holds her dress. Nevertheless, Big Sister and Little Sister can't help but have fun together. With thoroughly appealing central characters and a simple rhythmic text, this is a delightful book to share with the very young and a joyful celebration of sisterly relationships.

"Join these four lovable friends as they share the emotions that colour every child's world whether feeling happy or sad, brave or small or quite simply feeling loved."--Back cover. Children are encouraged to discover that grumpy days and sunny days are all part of life, and that everybody feels strong emotions sometimes. Suggested level: junior.

Lucy and her mermaid friends are almost home, the six Magic Crystals safe and ready to be delivered to Queen Neptuna. But Neptuna's horrible sister Mantora is staging one final obstacle for the Sisters of the Sea. It's up to Lucy to overcome her shyness and gather all the creatures of the sea to come together and defeat Mantora for good.

Scarlett and her fellow Sisters of the Sea are only a day away from Coral Kingdom and completing their mission! But the evil Mantora is still trying to stop them, this time littering a nearby beach with garbage. Scarlett's got to stop being bossy and learn to make friends to get the beach cleared in time.

Combining lyrical text and beautiful watercolor illustrations, this moving story celebrates maternal love and nontraditional families.

Nastasya has lived for hundreds of years, but for some reason, life never seems to get any better. She left her spoiled, rich girl life to find peace at River's Edge, a safe haven for wayward immortals. There, she learned to embrace River's Edge, despite some drama involving the sexy Reyn, who she wants but won't allow herself to have. But just as she's getting comfortable, her family's ties to dark magick force her to leave. She falls back into her old, hard partying ways, but will her decision lead her into the hands of a dark immortal? Or will it be her first step to embracing the darkness within her?

The Littlest Bunny longs to hop as high as his brothers and sisters. But he's just too little! Then he bumps into someone even smaller than he is, and he soon realises that maybe being small isn't so bad after all. A sweet springtime story, with a gentle message of accepting difference.
