Imperial Eyes explores European travel and exploration writing, in conjunction. Studies in colonial and exploration discourse have identified the enormous significance of travel writing as an ideological apparatus of Empire. The study of travel writing has, however, tended to remain either naively celebratory, or dismissive, treating texts as symptoms of imperial ideologies.

MARY LOUISE PRATT. Imperial Eyes: Travel Writing and Transcult-uration. London and New York: Routledge, 1992. Pp. 257. \$49.95. The primary aim of this brilliant, ground-breaking text is to decolonize knowledge and unravel imperial meaning-making. Its major theme is how travel books by Europeans about non-European parts of the world created

Reviews -- JSTOR

"Imperial Eyes... takes the reader through several stages of European travel writing, and the effects these works have upon European representations and constructions of the "other." Pratt's strongest arguments deal with Mary Kingsley and Africa, in my personal opinion, but her work on Linneaus is important and relevant to history and to identity studies as well.
