Kluge ehf parts manual - Free Textbook PDF

The Kluge EHF Series Press takes the standard EHD and raises it to the next level. A stronger main frame, stronger platen bolts and heavier side arms give the press greater impressional strength. Improved side arm design gives the press almost three times the preload pressure. These differences plus improved user-friendly modifications; make the EHF the new standard of the industry. The EHF ...

EHF Series (14 x 22) | Brandtjen & Kluge – Brandtjen ...

In general, the Kluge EHF Series Press has many more standard features than the EHD Series. This gives the EHF greater and more efficient foil stamping, embossing & die cutting capabilities on both short and long run print jobs. The table below provides an overview of the differences between the EHD and EHF Presses. Contact Kluge for further information on these presses. Feature: EHD: EHF ...

EHD Series (14 x 22) | Brandtjen & Kluge – Brandtjen ...

The Kluge EHF Series Press takes the standard and raises it to the next level. Heavier side arms and back shaft give the press greater impressional strength. The improved dwell system gives the press almost three times the preload pressure. The ability to adjust the impressional strength while the press is in motion is a time saving advantage. These differences, plus improved user friendly ...
