law office organization, management, and administration, support personnel, office polices, personnel policies and benefits, office security and emergency procedures, financial management, file systems, technology, and communications systems. The book contains numerous sample forms and documents, as well as extensive bibliographies. A CD containing the entire text of the manual is included, allowing customization of the manual for particular user needs.

This step-by-step guide is the key to developing a tailor-made office procedures manual, containing everything from client data sheets and docket control systems, to employee benefits and file management policies. In addition, the entire text is included on CD-ROM for easy customization.

This work contains all policies & procedures needed for the general administration of a law firm. It aids in training new employees, avoiding misunderstandings, & preventing malpractice. It is also available with 5 1/4 inch & 3 1/2 inch diskettes for the IBM or compatible personal computers using ASCII & WordPerfect programs.

This popular book, the only legal office procedure book to receive a 5-star rating on Amazon.com, introduces readers to the career of a legal office assistant. It presents basic legal concepts and the various fields of the law and outlines the preparation of documents commonly used in these fields. It provides the information needed to select documents appropriate for a particular situation, identify the information necessary to complete the documents, and prepare the documents correctly. Comprehensive coverage begins with an overview of the law office; then describes office duties; computers and office systems; legal correspondence; the history of law; the court structure; litigation procedures, including the preparation of legal documents, preparations for trial, and litigation and discovery procedures; family law; wills, trust, and probate; business organizations; real estate; criminal law; legal research; and careers in the law. For legal secretaries, legal assistants, paralegals, and law office managers and staff.

Let's be honest, traditional small firm law practice is not working very well. Too many small firm lawyers struggle to make ends meet, get clients, meet clients' expectations, or they wrestle with mental health issues or substance abuse. Meanwhile, there is a huge gap between those who need legal help and those who can get it. But it
