Covering New York, American & regional stock
exchanges & international companies.

The truck's role in American society changed
dramatically from the 1960s through the
1980s, with the rise of off-roaders, the van
craze of the 1970s and minivan revolution of
the 1980s, the popularization of the SUV as
family car and the diversification of the
pickup truck into multiple forms and sizes.

Read Online Lg 5400 Manual

This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.
