Messenger Of Zhuvastou

Messenger Of Zhuvastou. In hot pursuit of his beautiful "fiancee", playboy Morris Keniston arrives on the mysterious and hostile planet Sovold. Before he can sample its violent lifestyle and bizarre terrain, or combat the amoral whims of its courts (and blue-haired courtesans) he needs to adopt a suitable disguise.

Messenger of Zhuvastou's plot is episodic and picaresque--Keniston travels from walled town to walled town, spending lots of time in inns, making friends and tarrying with women, learning about Hellene society and getting mixed up in capers. He befriends a member of an ethnic minority (these people have grey skin) and preaches against racism.

George Scithers

George Scithers

George Scithers

George Scithers published AMRA, a leading sword and sorcery fanzine, beginning in 1959. The term "swords and sorcery" first appeared there, and AMRA became a leading proponent of the subgenre. Several of the articles originally published in AMRA were later re-printed as part of two volumes about Conan the Barbarian, which Scithers co-edited with L. Sprague de Camp. Contributors to the magazine included all the leading fantasists of the day: Poul Anderson, L. Sprague de Camp, Fritz Leiber, and many more.

PUBLISHERS WEEKLY BEST BOOK OF THE YEAR In " one of the most sensitive, nuanced examinations of father and son relationships " (The Boston Globe), award-winning writer Chris Offutt struggles to understand his recently deceased father, based on his reading of the 400-plus novels his father—a well-known writer of pornography in the 1970s and 80s—left him in his will. Andrew Offutt was considered the " king of twentieth-century smut, " with a writing career that began as a strategy to pay for his son ' s orthodontic needs and soon took on a life of its own, peaking during the 1970s when the commercial popularity of the erotic novel reached its height. With his dutiful wife serving as typist, Andrew wrote from their home in the Kentucky hills, locked away in an office no one dared intrude upon. In this fashion he wrote more than four hundred novels, including pirate porn, ghost porn, zombie porn, and secret agent porn. The more he wrote, the more intense his ambition became and the more difficult it was for his children to be part of his world. Over the long summer of 2013, his son, Chris, returned to his hometown to help his now widowed mother move out of his childhood home. As he began to examine his father ' s manuscripts and memorabilia, journals, and letters, he realized he finally had an opportunity to gain insight into the difficult, mercurial, sometimes cruel man he ' d loved and feared in equal measure. Only in his father ' s absence could he truly make sense of the man and his legacy. In My Father, the Pornographer, Offutt takes us on the journey with him, reading his father ' s prodigious literary output as both a critic and as a son seeking answers. He " enters the darkest and most mysterious of places—the cave of a monstrous enigma named Andrew J. Offutt—armed with nothing but his own restless curiosity. Spoiler alert: He makes it out alive, walking into the daylight to bring us a deeper, funnier, more tender and more heartbroken truth—and his masterpiece " (Michael Chabon).

A Hugo Award–winning anthology with stories by Ursula K. Le Guin, Kurt Vonnegut, Dean Koontz, Thomas Disch, Ben Bova, and many more. Over the course of his legendary career, Harlan Ellison has defied—and sometimes defined—modern fantasy literature, all while refusing to allow any genre to claim him. A Grand Master of the Science Fiction Writers of America, winner of the Lifetime Achievement Award from the Horror Writers Association as well as winner of countless awards, including the Hugo, Nebula, Edgar Allan Poe, and Bram Stoker, Ellison is as unpredictable as he is unique, irrepressible as he is infuriating. Again, Dangerous Visions is the classic companion to the most essential science fiction anthology ever published, and includes forty six original stories edited and with introductions by Harlan Ellison, featuring John Heidenry, Ross Rocklynne, Ursula K. Le Guin, Andrew J. Offutt, Gene Wolfe, Ray Nelson, Ray Bradbury, Chad Oliver, Edward Bryant, Kate Wilhelm, James B. Hemesath, Joanna Russ, Kurt Vonnegut, T. L. Sherred, K. M. O ' Donnell (Barry N. Malzberg), H. H. Hollis, Bernard Wolfe, David Gerrold, Piers Anthony, Lee Hoffman, Gahan Wilson, Joan Bernott, Gregory Benford, Evelyn Lief, James Sallis, Josephine Saxton, Ken McCullough, David Kerr, Burt K. Flier, Richard Hill, Leonard Tushnet, Ben Bova, Dean Koontz, James Blish and Judith Ann Lawrence, A. Parra (y Figueredo), Thomas M. Disch, Richard A. Lupoff, M. John Harrison, Robin Scott, Andrew Weiner, Terry Carr, and James Tiptree Jr.

Best New Horror combines dozens of the best and grisliest short stories of today. For twenty-five years this series has been published in the United Kingdom as The Mammoth Book of Best New Horror, and now comes to the US to delight and terrify thriller enthusiasts. This has been the world ' s leading annual anthology dedicated solely to showcasing the best in contemporary horror fiction. This newest volume offers outstanding new writing by masters of the genre, such as Joan Aiken, Peter Atkins, Ramsey Campbell, Christopher Fowler, Joe R. Lansdale, John Ajvide Lindqvist, Robert Silverberg, Michael Marshall Smith, Evangeline Walton, and many others! Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Once upon a time all literature was fantasy, set in a mythical past when magic existed, animals talked, and the gods took an active hand in earthly affairs. As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present, fantasy was temporarily marginalized until the late 20th century, when it enjoyed a spectacular resurgence in every stratum of the literary marketplace. Stableford provides an invaluable guide to this sequence of events and to the current state of the field. The chronology tracks the evolution of fantasy from the origins of literature to the 21st century. The introduction explains the nature of the impulses creating and shaping fantasy literature, the problems of its definition and the reasons for its changing historical fortunes. The dictionary includes cross-referenced entries on more than 700 authors, ranging across the entire historical spectrum, while more than 200 other entries describe the fantasy subgenres, key images in fantasy literature, technical terms used in fantasy criticism, and the intimately convoluted relationship between literary fantasies, scholarly fantasies, and lifestyle fantasies. The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature, through bibliographies and accounts of the fantasy literature of different nations, to individual author studies and useful websites.

Science Fiction and Fantasy Literature, A Checklist, 1700-1974, Volume one of Two, contains an Author Index, Title Index, Series Index, Awards Index, and the Ace and Belmont Doubles Index.
