Suggestion! The pacing  
I suggest here presents  
the order in which I try  
to use the resources  
every year. The Teach,  
Practice, Test topics  
complement our reading  
and writing units, so I  
take that into  
consideration when  
planning.

1. Create a Sense of Urgency. The true art of pacing lies in creating a sense of urgency and also not leaving your students in the dust.

Think diligent pace but not frenetic. This pacing feels just right to most
