## Read Online Moral Understandings A Feminist Study In Ethics Studies In Feminist Philosophy

This book defends an expressive-collaborative model of morality that challenges common assumptions in philosophical ethics. Morality is best revealed in practices of responsibility that express shared understandings about who we are, what we value, and to whom we are accountable for what we do. Morality is collaborative as we reproduce or shift our moral understandings together in many daily interactions of social life.

Synopsis. Moral Understandings depends an expressive-collaborative model of morality that challenges common assumptions in philosophical ethics. Morality is best revealed in practice, the socially accepted patterns of assigning and deflecting responsibility. These practices express shared understandings about who we are, what we value, and to whom we are required to account for our actions.
