Painting Realistic Landscapes With Dorothy

What sets Dorothy's work about all others is her exquisite use of light. Each project features instruction on how to paint the different light effects required to give each landscape a realistic look. Each project features complete patterns and drawings, colour swatch charts, materials lists, and a full-page photograph of the finished piece.

Dent stresses light as the key to creating realistic landscape paintings and offers ten projects that include plaques and trays as well as traditional stretched canvas. Each begins with a traceable outline or "pattern" and swatches of color, then progresses with a clearly delineated, full-color sequence of various brush strokes, enabling even novice painters to tackle subjects like old mills, cottages, and many more.
