(Book Review)~~Papas Prey~~
Once again, Ms. Zoe Blake
has spun a tale that is
dark, delicious,
depraved, and daring. Having
read every single book she
has written, she did not
fail to deliver with Papa's
Prey. The sheltered
innocence and naïveté of
Corrine are offset with the
dark dominance and depraved
proclivities of Lord
Lucian.- RedRabbit Reviews

"Papa's Prey" is a riveting, dark historical romance with elements of non-con, dominance, humiliation, domestic discipline and objectification. This DD/lg. story is not for the faint of heart... the discipline is harsh, the heroine innocent and the trepidation quite intense.

Papa's Prey Book by Zoe Blake ~ Page 4. His grip slackened. Corinne slipped from his grip and took a relieved step backward, pressing her hands to her pounding heart. Mother Superior would be furious, but she would rather face her wrath than a lifetime bound to this overwhelming man. Lucian shrugged out of his frock coat, tossing it carelessly over the nearest pew.

More so, she remembered the overwhelming feeling of power and privilege which emanated from him. He paid the abbey coin for her upkeep and continued education with the understanding he would someday return and claim her as his bride.
