In the case of Nauru, the self-sustaining tropical paradise loses much of its native culture, almost all of its natural beauty, and all of its ability to be self-sustaining. It's a grim story that plays out all over the globe. "The story of Nauru is the story of all of us." (from page 7) Definitely worth reading. A tiny island country with a ...

Paradise for Sale: A Parable of Nature | IndieBound.org

Paradise for Sale delivers, and delivers hard. I found this book while making an informal research on the island of Nauru (for reasons), and while the book fulfilled its mission into informing me about this tiny, historically curious island in the equatorial Pacific; it gave me much more than just a solution to my geographical curiosity.
