Pearson Texas History Textbook Grade 7

This flexible program, edited by Core Knowledge founder E.D. Hirsch, Jr. follows the Core Knowledge Sequence to teach key history and geography topics at each consecutive level. Teachers can purchase the textbooks in their entirety to teach the Core Knowledge curriculum. Select units can be purchased as individual books to meet specific curriculum needs. With this program, students can build a unified, solid base of academic knowledge - the key to overall literacy and future success. Beautifully illustrated pages and a friendly narrative style without distractions, keeps students motivated and focused as they learn essential content and skills.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most

courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

We are excited to announce that we have resolved the current back order issue related to our Core Knowledge program. New books are being reprinted and should leave the warehouse within 4 weeks. We appreciate your patience during this time and your commitment to this program. We are currently reworking our licensing agreement and "In Print" status. As final information is determined, we will update this page. Please know that the effort is ongoing and Pearson is committed to supporting students and families with the best Social Studies programs available. Core Knowledge delivers high quality social studies lessons. Across all levels, content instruction unfolds across beautifully illustrated, highly visual pages that engage and make information easier to understand and manage to help your child build a strong foundation of history and geography skills.
