Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

A story about dreams, gold, rebellion ... and an unlikely friendship across time It's 1854, and the Ballarat goldfields are a place of dreams and rebellion as Sam, a homeless teenager, is called back to the past to join the Puddlehams, who run 'the best little cook shop on the diggings'. The Puddlehams dream of

buying a hotel with velvet seats, while others dream of freedom from the British crown, away from the rule of wealthy landowners and corrupt officials. As the summer days get hotter, and the miners' protests are ignored with catastrophic results, Sam experiences first-hand the power of a united stand which will change her life forever. PRAISE FOR JACKIE FRENCH 'Jackie French is excellent at telling history in an exciting way for children' -- Burke's Backyard

Jackie French explores a distant and fascinating world, where the future is not always as it seems, and the king's displeasure means death. Ages 10 - 14 After Nikko and Thetis are taken from their village, their amazing acrobatic skills save them from slavery and make them the focus of the Mycenaean court. The courtiers are in awe of them; the King is enchanted. But Thetis may destroy them both when she tells the King a truth about his future that he doesn't want to hear. Nikko and the daring horse dancer Euridice must travel across Greece to find his sister again - and the extraordinary future that awaits them all - in Delphi. Can one young girl change history? Jackie French waves history, myth and fantasy together into one enthralling tale of horse dancers, earthquakes and tsunamis, as well as love and courage, from beyond recorded time. Ages 10-14

From the winner of the Nobel Prize for Literature and author of the Cairo Trilogy, comes Akhenaten, a fascinating work of fiction about the most infamous pharaoh of ancient Egypt. In this beguiling novel, originally published in Arabic in 1985, Mahfouz tells with extraordinary insight the story of the "heretic pharaoh," or "sun king,"--the first known monotheistic ruler--whose iconoclastic and controversial reign during the 18th Dynasty (1540-1307 B.C.) has uncanny resonance with modern sensibilities. Narrating the novel is a young man with a passion for the truth, who questions the pharaoh's contemporaries after his horrible death--including Akhenaten's closest friends, his most bitter enemies, and finally his enigmatic wife, Nefertiti--in an effort to discover what really happened in those strange, dark days at Akhenaten's court. As our narrator and each of the subjects he interviews contribute their version of Akhenaten, "the truth" becomes increasingly evanescent. Akhenaten encompasses all of the contradictions his subjects see in him: at once cruel and empathic, feminine and barbaric, mad and divinely inspired, his character, as Mahfouz imagines him, is eerily modern, and fascinatingly ethereal. An ambitious and exceptionally lucid and accessible book, Akhenaten is a work only Mahfouz could render so elegantly, so irresistibly.

Fast-paced and historically accurate, Nefertiti is the dramatic story of two unforgettable women living through a remarkable period in history. Nefertiti and her younger sister, Mutnodjmet, have been raised in a powerful family that has provided wives to the rulers of Egypt for centuries. Ambitious, charismatic, and beautiful, Nefertiti is destined to marry Amunhotep, an unstable young pharaoh. It is hoped that her strong personality will temper the young ruler's heretical desire to forsake Egypt's ancient gods. From the moment of her arrival in Thebes, Nefertiti is beloved by the people but fails to see that powerful priests are plotting against her husband's rule. The only person brave enough to warn the queen is her younger sister, Mutnodjmet. Observant and contemplative, Mutnodjmet has never shared her sister's desire for power. She yearns for a quiet existence away from family duty and the intrigues of court. But remaining loyal to Nefertiti will force Mutnodjmet into a dangerous political game; one that could cost her everything she holds dear. Teeming with love, betrayal, political unrest, plague, and religious conflict, Nefertiti brings ancient Egypt to life in vivid detail. "Meticulously researched and richly detailed . . . an engrossing tribute to one of the most powerful and alluring women in history." --Boston Globe

NATIONAL BESTSELLER "Rutherford brings England's New Forest to life" (The Seattle Times) in this companion to the critically acclaimed Sarum From the time of the Norman Conquest to the present day, the New Forest, along England's southern coast, has remained an almost mythical place. It is here that Saxon and Norman kings rode forth with their hunting parties, and where William the Conqueror's son Rufus was mysteriously killed. The mighty oaks of the forest were used to build the ships for Admiral Nelson's navy, and the fishermen who lived in Christchurch and Lyminster helped Sir Francis Drake fight off the Spanish Armada. The New Forest is the perfect backdrop for the families who people this epic story. The feuds, wars, loyalties, and passions of many hundreds of years reach their climax in a crime that shatters the decorous society of Bath in the days of Jane Austen, whose family lived on the edge of the Forest. Edward Rutherford is a master storyteller whose sense of place and character--both fictional and historical--is at its most vibrant in The Forest. "As entertaining as Sarum and Rutherford's other sweeping novel of British history, London."--The Boston Globe

Newbery Honor-winning author Gennifer Choldenko deftly combines humor, tragedy, fascinating historical detail, and a medical mystery in this exuberant new novel. San Francisco, 1900. The Gilded Age. A fantastic time to be alive for lots of people . . . but not thirteen-year-old Lizzie Kennedy, stuck at Miss Barstow's snobby school for girls. Lizzie's secret passion is science, an unsuitable subject for finishing-school girls. Lizzie lives to go on house calls with her physician father. On those visits to his patients, she discovers a hidden dark side of the city--a side that's full of secrets, rats, and rumors of the plague. The newspapers, her powerful uncle, and her beloved papa all deny that the plague has reached San Francisco. So why is the heart of the city under quarantine? Why are angry mobs trying to burn Chinatown to the ground? Why is Noah, the Chinese cook's son, suddenly making Lizzie question everything she has known to be true? Ignoring the rules of race and class, Lizzie and Noah must put the pieces together in a heart-stopping race to save the people they love. Winner of a Los Angeles Public Library FOCAL (Friends of Children and Literature) Award Nominated for: Pennsylvania Young Reader's Choice Awards Tennessee Volunteer State Book Award (Middle School division) Missouri Association of School Librarians (MASL) Readers Award California Library Association's Betty Award, Eureka List

The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her family from the long chain of suffering and silence.

The Mau Mau - the name of a secret society that once struck terror into the hearts of British settlers in Kenya. An episode in history that ended in a State of Emergency, with violent and brutal acts dividing a nation. This is an intensely personal and vivid story of two boys: one black, one white. Once they were friends even though their circumstances are very different. But in a country driven by fear and prejudice, even the best of friends can betray one another . . . Internationally acclaimed and award-winning author Beverley Naidoo explores new territory in this beautifully realized and moving story set in Britain's colonial past.
