Health, Wellness, and Physical Fitness is designed to teach students everything they need to know to make informed decisions for a lifetime of wellness. Aligned to Common Core State Standards, the activities in this workbook teach students about heredity, exercise, and nutrition, as well as tobacco, illegal drugs, mental health, and becoming a wise consumer. Self-assessments, real-world situations, games, puzzles, and quizzes reinforce these important lessons while also building strong, independent learners.

The skills practiced in Daily Math Practice, Grade 2 include: Computation addition and subtraction facts column addition multiplication facts 2-digit addition with regrouping 2-digit addition without regrouping 2-digit subtraction with regrouping 2-digit subtraction without regrouping 3-digit addition and subtraction Number write number sentences write word problems read and write numbers read and write number words place value count by two, fives, tens odd/even ordinal numbers estimation greater/less than, equal to properties, number relationships fractions Patterns sort & classify create, name, describe, extend Geometry shapes symmetry perimeter Measurement weight and capacity time linear measure money Data read and interpret graphs create graphs use tally marks

Spectrum(R) Division, is a skill-specific math resource designed to completely support and challenge third graders in division. This 96-page book goes into greater depth about division and provides a wide range of examples, practice problems, and assessments to measure progress. The best-selling Spectrum series provides students with focused practice based on the essential skills they need to master for Common Core success. With explicit skill instruction, step-by-step examples, and ample practice, as well as assessment tools for progress monitoring, students are provided everything they need to master specific math skills. Skill-specific Spectrum books are the perfect supplement for home or school.
