It is therefore not surprising that Blade Runner has yielded an unusually high number of interpretive studies. The essays in Retrofitting Blade Runner, for example, touch on the film's evocation of technology, radical politics, film noir, "personhood," urban topography, the Doppelgänger, detective fiction, and Miltonian epic.

Methodologically, the essays encompass both content-based analyses of social and philosophical theme as well as more aesthetic, intertextual treatments of the ...

~~[PDF] blade runner eBook~~

Abstract. This paper examines Ridley Scot's 1982 film Blade Runner as a cautionary tale relating to the role of law in a technology augmented environment. Blade Runner presents a regime that uses law first in order to create beings with superior abilities and pre-determined longevity, and then to define them as non-human or non-beings, devoid of legal personhood, and thus exploitable.
