Sharpe's Escape It is the late summer of 1810 and the French mount their third and most threatening invasion of Portugal. Captain Richard Sharpe, with his company of redcoats and riflemen, meets the invaders on the gaunt ridge of Bussaco where, despite a stunning victory, the French are not stopped.

Sharpe's Escape | Bernard Cornwell

#10 in the Sharpe series. Sharpe's Escape concerns the battle for Bussaco in Portugal during the Peninsular Wars in 1810. Bernard Cornwell never fails to entertain. This is yet another engrossing history lesson. Captain Richard Sharpe along with his brother in arms, Sgt Patrick Hogan are, once again, on the trail of some scurrilous villains.

Captain Richard Sharpe finds himself separated from his company and lured into a trap from which he must escape in order to rejoin the conflict at the Lines of Torres Vedras and stop French invaders at Lisbon. By the author of Sharpe's Havoc. Reprint.

From New York Times bestselling author Bernard Cornwell, the tenth installment in the world-renowned Sharpe series, chronicling the rise of Richard Sharpe, a Private in His Majesty's Army at the siege of Seringapatam. Sharpe's job as Captain of the Light Company is under threat and he has made a new enemy, a Portuguese criminal known as Ferragus. Discarded by his regiment, Sharpe wages a private war against Ferragus - a war fought through the burning, pillaged streets of Coimbra, Portugal's ancient university city. Sharpe's Escape begins on the great, gaunt ridge of Bussaco where a joint British and Portuguese army meets the overwhelming strength of Marshall Massena's crack troops. It finishes at Torres Vedras where the French hopes of occupying Portugal quickly die.

It is 1810 and the French are again attempting to invade Portugal. Facing them is a troubled Captain Richard Sharpe whose job is under threat. He has enemies on every side, he has new opposition from a Portuguese warlord against whom he wages a private war, and a fight on his hands through the burning, pillaged streets of Coimbra.

Richard Sharpe, with enemies on every side, survives Marshall Massena's attack and ends at the lines of Torres Vedras.

It is 1811 and the French are making yet another attempt to invade Portugal and push the British back to the sea. Facing them is a wasted land- and Captain Richard Sharpe. But Sharpe's job is under threat and he has made a new enemy, a Portuguese criminal known as Ferragus who has devised a simple way of ingratiating himself with the French.

At the height of the 1810 battle of Bussaco, Captain Richard Sharpe finds himself separated from his company and lured into a trap from which he must escape in order to rejoin the conflict and stop French invaders at Lisbon.

In order to finance the Duke of Wellington's next campaign against Napoleon and his forces, Richard Sharpe undertakes to steal a fortune in gold and must outwit both Spanish guerrillas and the French in the treacherous terrain of the Portuguese hills. Reprint.

For more than twenty years, Richard Sharpe, the brave and dashing officer who rose from rags on the street to a commission in his majesty's army, has been thrilling audiences on both the page and on screen. Now the incomparable Bernard Cornwell ("the greatest

writer of historical novels today"\*) returns with a thrilling new installment—the first new Sharpe novel in more than two years. The year is 1811. With the British army penned into a small part of Portugal, and all of Spain fallen to the invader except for the coastal city of Cádiz, the French appear to have won their war. Captain Richard Sharpe has no business being in Cádiz, but when an attack on a French-held bridge goes disastrously wrong, Sharpe—accompanied by Harper, his loyal Irish sergeant, and the obnoxious Brigadier Moon—finds himself in a city under French siege. It is also a town riven by political rivalry. Some Spaniards believe their country's future would be best served if they broke their alliance with Britain and forged a friendship with Napoléon's France; their cause is only strengthened when some letters written to a prostitute by the British ambassador fall into their possession. They resort to blackmail, and Sharpe, raised in the gutters of London and taught to fight, is released into the alleys of Cádiz to find the woman and retrieve the letters. Yet defeating the blackmailers will not save the city. That is up to the charismatic Scotsman, Sir Thomas Graham, who takes a small British force to attack the French siege lines. The attack goes horribly wrong; Sir Thomas's outnumbered army is trapped between the devil and the deep blue sea, and on a March morning, at Barrosa, Richard Sharpe finds himself

embroiled in one of the most desperate infantry struggles ever fought. Sir Thomas has his own reasons for revenge, as does Sharpe, who goes into battle seeking the French colonel who precipitated the disaster that stranded Sharpe in Cádiz. In a bloody and stirring battle, Sharpe and the English get their revenge and their victory, but at a terrible cost. A triumph of both historical and battle fiction, Sharpe's Fury will sweep both old and new Sharpe fans into their hero's incredible adventures.

An up-from-the-ranks officer in Wellington's army determines to capture one of the golden eagles possessed by each of Napoleon's battalions, his private revenge and a small part of the panorama of the epochal Battle of Waterloo.
