Male feminization for fun and growth? Why not? It's a question that critical thinkers ask about many subjects. Everyday there's someone who sees something and instead of saying no they ask, why not? What if the Wright brothers agreed with everyone that man can't fly? What if Henry Ford believed like everyone else that there could be no mass production? What if Galileo gave up on the idea that the world is round and not flat like the Church wanted him to? If something can be beneficial for you or others, but the accepted societal view says it's wrong, does that really make it wrong? Male-to-female crossdressing is one of those things. Sometimes viewed as an unmanly due to societal paradigms and beliefs and called a deviant behavior, it's carried a stigma with it. Does that mean it shouldn't be done? Women are allowed to cross-dress: it has become commonplace for women to wear men's styles of clothing, yet men are forced to stay in men's clothes. Dresses, skirts, stockings and all the feminine accoutrements have fallen to the wayside for most women today, and it's perfectly acceptable for them to wear flannel shirts with jeans, or sweatpants with sneakers or flat shoes. Why not? Why shouldn't a male be offered the same flexibility? Until the time comes when open-mindedness is more prevalent, and paradigms and beliefs are changed, it's still possible to do in secret or with likeminded people and groups, and the benefits are just as great. To balance the individual's masculine and feminine energies and activate the rise on Maslow's hierarchy of needs is not a trivial thing, and that is just one of many benefits it brings. If you, a person close to you, a spouse or partner, or a friend of yours is involved in male-to-female crossdressing, has an interest in it, or is bored and wants to try something new and exciting, then drop the veil of illusions by creating a new feminine illusion and thrive. Read on and see what benefits can follow in this thoughtful short read that just might improve your or someone else's life-or at least help you understand it better. Look inside now.

Eighteen year old Billy only has one thing on his mind as he sits in the bar and dreams of losing his virginity. He knows he doesn't have much luck with women, but tonight he plans to change all that. And when he attracts the eye of Amanda, a busty brunette in a small red dress, Billy thinks his luck has finally changed for the better. Amanda has other plans for poor Billy. She's only in town for a few days, but she plans to keep him close, and change him from a confused virgin boy, to a confident and sexy girl. Blackmailed into staying with her, Billy has no choice but to stay by Amanda's side as she takes him to the mall and transforms him while humiliating him every chance she gets. And for poor Billy's final test, Amanda will take him back to the bar, dressed as a woman from head to toe. But if Billy behaves, he might finally lose his virginity. All he has to do is be the best girl he can be.... This 27,000 word novella contains scenes of blackmail, forced feminization, intense oral and anal sex, humiliation, and a poor confused virgin who will do anything for his new mistress!

"Anders has created wonderful variations on the beauty and the beast theme and the damsel-in-distress trope, a greatly tormented hero, and a powerful mix of menace and romance." —Booklist Second in an exciting contemporary romance series, Undercover cop Clay Navarro moved to a small town to rid himself of the last reminders of his past, but the gentle touch of Georgette Hadley will leave new marks on his skin-and his heart. Clay left the Sultans biker gang a changed man. Its ringleaders may be awaiting trial, but he wears the memory of his time in that hell tattooed across his skin. He figures he doesn't have space in his messed-up life for anything gentle?not now, maybe not ever. Besides, what woman could possibly want the man he's become? Dr. Georgette Hadley is drawn to the damaged stranger's pain, intimidated but intrigued by the warmth that lies beneath Clay's frightening exterior. She thrills at the way he gentles at her touch...and under his rough hands, she burns with a passion she never thought she'd know. But when the Sultans return looking for revenge, Georgette finds herself drawn into the dirty underbelly of a life forged in violence...that not even her touch may be able to heal. Blank Canvas series: Under Her Skin (Book 1) By Her Touch (Book 2) In His Hands (Book 3) Praise for Blank Canvas: "A dark and emotional tale that will make your spine tingle as well as your heart." —SARINA BOWEN, USA Today bestselling author of Bittersweet for Under Her Skin "The perfect romance...a hint of danger, a whole lot of spice, and an HEA you believe in." —ANNE CALHOUN, award-winning author of Under the Surface for Under Her Skin "Emotionally riveting page-turner." —Publishers Weekly STARRED for Under Her Skin "Incredibly sexy, heartbreaking, and intense." —Kirkus STARRED for Under Her Skin "Gripping [and] emotionally satisfying." —Publishers Weekly STARRED for By Her Touch "Anders has created wonderful variations on the beauty and the beast theme [with] a greatly tormented hero, and a powerful mix of menace and romance." —Booklist for By Her Touch

Sex Made Better and Better. Every generation discovers gay sex in its own way: new sex symbols, styles and fetishes appear and take the place of old ones; familiar sex practices become less popular, while people love each other in exciting new ways. From the tried and true to the exotic and adventurous, this book offers expert tips and unexpected tricks to make gay sex an even more joyful experience.

Technology and increasing levels of education have exposed people to more information than ever before. These societal gains, however, have also helped fuel a surge in narcissistic and misguided intellectual egalitarianism that has crippled informed debates on any number of issues. Today, everyone knows everything: with only a quick trip through WebMD or Wikipedia, average citizens believe themselves to be on an equal intellectual footing with doctors and diplomats. All voices, even the most ridiculous, demand to be taken with equal seriousness, and any claim to the contrary is dismissed as undemocratic elitism. Tom Nichols' The Death of Expertise shows how this rejection of experts has occurred: the openness of the internet, the emergence of a customer satisfaction model in higher education, and the transformation of the news industry into a 24-hour entertainment machine, among other reasons. Paradoxically, the increasingly democratic dissemination of information, rather than producing an educated public, has instead created an army of ill-informed and angry citizens who denounce intellectual achievement. When ordinary citizens believe that no one knows more than anyone else, democratic institutions themselves are in danger of falling either to populism or to technocracy or, in the worst case, a combination of both. An update to the 2017breakout hit, the paperback edition of The Death of Expertise provides a new foreword to cover the alarming exacerbation of these trends in the aftermath of Donald Trump's election. Judging from events on the ground since it first published, The Death of Expertise issues a warning about the stability and survival of modern democracy in the Information Age that is even more important today.
