Skipper | Barbie Wiki | Fandom

Skipper Roberts is a doll created by Mattel in 1964 to be Barbie's younger sister, as well as to oppose controversies directed at Barbie. Since Skipper was introduced, she has changed immensely. When she first came out, she was 9.25 inches in height, and then as newer versions were released she gradually became taller with an older appearance, eventually turning out to be almost as tall as Barbie. At first, Skipper was available with three different hair colors, but is currently only available w

Some do have centered eyes. The most amazing Skipper clone doll is a Japanese Skipper clone - which glances to the left - just like the original Japanese Skipper doll. Almost of all the Skipper clones have long, straight hair and bangs - like the original - the Straight Leg Skipper. But there are also a few with shorter hair (like Myra by Marx), and some which don't have bangs (like some Lil Sister dolls by Eegee).
