This chapter presents an imagined repopulated Rome and considers the various activities that took place in these spaces. It focuses on the commercial life of the Roman street, highlighting the central role that the streets played in the functioning of the urban economy. It shows that the streets of the city were far more than a physical network of routes; they were the support network for the lives of the city's inhabitants.

Street Life of Ancient Rome\* - Oxford Scholarship  
As a basis for our studies we used the textbook Street Life in Renaissance Rome: A Brief History with Documents, but to really immerse my students in the everyday life of this time and place, I used The Game of Life —a classic board game. Turning the reading and homework assignments into a game made social history more accessible and engaging.

Life Lessons: A Game Takes Students to Renaissance Rome ...  
The Renaissance in Rome unfolded through the leadership of several different Popes throughout the 15th and 16th centuries. For example, Martin V was elected Pope on November 11th, 1417 and finally arrived in the city of Rome in 1420. During his time as Pope, several prominent Renaissance artists became associated with Rome.
