Canada’s automotive “Dr. Phil” says there’s never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that’s still reeling from a series of natural disasters.

This book presents theories and case studies for corporations in developed nations, including Japan, for designing strategies to maximize opportunities and minimize threats in business expansion into developing nations. The case studies featured here focus on Asia, including China and India, and use examples of Japanese manufacturers. Five case studies are provided, including Hitachi Construction Machinery and Shiseido in China and Maruti Suzuki in India. These cases facilitate the reader ’ s understanding of the business environments in emerging economies. This volume is especially recommended for business people responsible for international business development, particularly in China and India. In addition, the book serves as a useful resource for students in graduate-level courses in international management.

A small-time Capone hood named Johnny Pepys ( " peeps, " after Samuel Pepys, the famous English diarist), is called upon to take dictation of the wounded kingpin ’ s memoirs, and soon finds himself caught between a deal he made with Buggy Moran and Capone ’ s hostile and suspicious underlings. A humorous parody of " The Untouchables. " Stage Play (7m/3f) 45 min.

This book provides a comprehensive overview of the current marketing environment in India. It examines the changing dynamics of marketing management against the backdrop of globalization and liberalization, analysing how both marketers and consumers are adapting to radical changes. Insightful perspectives on key issues including market segmentation, brand strategy, product planning, advertising, pricing and distribution strategies as well as challenges of rural marketing are given. This Fourth Edition boasts of incisive coverage of all contemporary concepts and formats of marketing, including retailing, Internet marketing and telemarketing. It is further enriched by varied case studies that are drawn from the Indian experience and will go a long way to inculcate skills of analysis, logical thinking and decision making in students. Valuable not only to students and teachers of marketing management, the book is a must-have for practising managers who want to stay abreast with the latest developments in their field.

Never Far Away is a short story and resource for the parent who has a child that doesn't like to separate from them when time for school or work. It has illustrative pictures and content for the parent and child to interact before they go about their day.

Presents a complete conceptual framework with hands-on ideas for successful middle and secondary geography instruction. CD contains extended activities, geography standards, and more.
