Since the TC125 is basically similar to the TS125 in many parts of the engine and chassis, this Service Manual is limited to the description of different points in construction and servicing between the TC125 and the TS125. Accordingly, when you service the TC125, it is advisable to refer to the TS125 Service Manual in addition to this manual.

Suzuki Manuals. Updated September 10, 2020. I don't sell Suzuki manuals, nor do I supply them for download. My view is that just about everyone today has a computer, laptop, tablet or smart phone, together with fast internet service, and so all I do is try to provide easy access to a range of manuals on-line that have either been given to me or that I have purchased and then scanned.
