Testimony And Advocacy In Victorian
Already a locus of theological conflict,
the idea of testimony became a
fiercely contested motif of Victorian
debate about the ethics of literary and
legal representation. She argues that
authors of fiction created a style of
literary advocacy which both imitated,
and reacted against, the example of
their storytelling counterparts at the
Bar.

*Testimony and advocacy in Victorian
law, literature, and ...*

Jan-Melissa Schramm, who is both a
lawyer and a literary critic, argues that
authors of fiction created a style of
literary advocacy that both imitated,
and reacted against, the example of
their story-telling counterparts of the
criminal Bar, and traces the ongoing
debate over rules of evidence, eye-
witness testimony and codes of ethical
conduct that helped shape Victorian
realism as a narrative form.
