Reviews The APPI

'Textbook of

Psychiatry' has been

meticulously revised

to maintain its pre-

eminence as an

accessible and

authoritative...

Geriatric

Psychiatry

Its previous edition

Online Library The American

hailed as "the best reference for the majority of practicing psychiatrists"

(Doody's Book Reviews) and a book that "more than any other, provides an approach to how to think about psychiatry that integrates both the biological and psychological"

(JAMA), The

Online Library The American

American Psychiatric

Publishing Textbook

of Psychiatry has

been meticulously

revised to maintain

this preeminence as

an accessible and

authoritative

educational reference

and clinical

compendium. It

combines the

strengths of its three

editors -- Robert

Online Library

The American

Hales in clinical and
community psychiatry,
Stuart Yudofsky in
neuropsychiatry, and
new co-editor Glen
Gabbard in
psychotherapy -- in
recruiting outstanding
authors to summarize
the latest
developments in
psychiatry and
features 101
contributors, 65 of

Online Library

The American

whom are new to this edition. The book boasts a new interior design, with more figures and color throughout to aid comprehension. Each chapter ends with 5-10 key points, 5-10 recommended readings, and helpful Web sites not only for the clinician but also for patients and family

Online Library The American

members. The book
also includes
complimentary access
to the full text online.

Online benefits
include powerful
searching, electronic
bookmarking, and
access by username
and password from
wherever you have
Web access --

especially convenient
for times when the

Online Library The American

print copy of your
textbook is not where
you are. The online
version is

accompanied by a
downloadable
PowerPoint
presentation, which
contains a wealth of
material to enhance
classroom
presentation, study,
and clinical use.

Among the

Online Library The American

improvements to this edition's content: • Of the text's 44 chapters, 23 either feature new topics or have new authors, making this the most completely revised edition yet. •

New basic-science chapters on cellular and molecular biology of the neuron and on neuroanatomy for the psychiatrist

Online Library The American

conveniently distill
essential information
on the biological
foundations of
psychiatric disorders
for clinicians. • A new
chapter on human
sexuality and sexual
dysfunctions, and
another new chapter
on treatment of gay,
lesbian, bisexual, and
transgender patients,
equips clinicians to

Online Library

The American

address the entire
spectrum of sexual
issues and their
attendant mental
health concerns. •

New chapters on
nonpharmacological
somatic treatments,
supportive
psychotherapy, and
combination
psychotherapy and
pharmacotherapy
augment the section

Online Library

The American

on psychiatric
treatments. • A new
chapter on the
assessment of

dangerousness -- an
individual's propensity
to commit violent acts

-- presents helpful
guidelines for

appropriately
evaluating and
minimizing the risk of

violence in both
outpatient and

Online Library The American

inpatient settings.

Why The American
Psychiatric Publishing
Textbook of

Psychiatry will be your
first choice among
comprehensive
American
psychiatry textbooks:

- Complimentary
Access to the Full
Text Online -- Online
benefits include
powerful searching,
electronic

Online Library The American

bookmarking, and
download to PDA. •
PowerPoint
Presentation -- Online
version is
accompanied by a
downloadable
PowerPoint
presentation, which
contains a wealth of
material to help you
enhance classroom
presentation, study,
and in clinical use. •

Online Library

The American

Self-Assessment --

An interactive online
Self-Assessment
allows you to assess
your knowledge of
each chapter, with
links back to the
textbook when more
study is needed. •

Summary Points --
Each chapter ends
with 5-10 key points,
5-10 recommended
readings, and helpful

Online Library

The American

web sites not only for the clinician but also for referral to patients and family members.

- Co-Editor Glen O. Gabbard, M.D. -- As the third Co-Editor, Dr. Gabbard adds depth and perspective to psychotherapeutic approaches.
- Chapter Authors -- Partnership of senior and junior faculty brings fresh

Online Library The American

insights tempered by
wisdom and
experience. • Peer-
Reviewed --

Rigorously peer
reviewed and updated
to reflect the rapidly
changing profession.

• Disclosure of
Interest Statements --
Disclosure from each
chapter author
assures you that
potential biases have

Online Library The American

been removed. •

Comprehensive But
Concise -- Inclusion of
essential information
eases information

overload. • Better

Layout -- Larger type
for text makes book
easier to read and

color figures are
provided throughout
the text. It's no

wonder that this text
has established itself

Online Library The American

as both a leading
scholarly reference
and an indispensable
clinical resource. The
American Psychiatric
Publishing Textbook
of Psychiatry is a
proven teaching tool
and an essential
component of every
practitioner's library.

Preceded by
American Psychiatric

Online Library The American

Publishing textbook of
psychiatry / edited by
Robert E. Hales,
Stuart C. Yudofsky,
Laura Weiss Roberts.
Sixth edition. 2014.

For more than two
decades, The
American Psychiatric
Press Textbook
of Geriatric Psychiatry
has been the
definitive text on

Online Library

The American

diagnosing and
treating mental
disorders among the
elderly. As with the
earlier editions, this
new fifth edition
provides students,
residents, nurses,
psychiatrists, and long-
term-care
professionals with a
single authoritative
volume that includes
both the basic

Online Library

The American

scientific knowledge

and the practical

clinical skills

necessary for working

with this growing

population. The book

includes chapters on

the most common

mental disorders in

the elderly written by

leaders in geriatric

psychiatry,

gerontology, geriatric

medicine, and

Online Library The American

geriatric nursing. In addition to being thoroughly revised to incorporate the most recent and reliable data available, the book is also DSM-5® concordant, reflecting the new structure and classifications clinicians must know to function in today's health care environment. Replete

Online Library

The American

with outlines, tables,

recommended

readings, and other

useful features, the

fifth edition of The

American Psychiatric

Publishing Textbook

of Geriatric Psychiatry

contains the high-

quality, up-to-the-

minute diagnostic and

treatment information

clinicians have come

to expect from this

Online Library
The American
Psychiatric
Publishing
Textbook Of
Comprehensive
Psychiatry
American
Psychiatric
Press Textbook
Geriatric
Psychiatry

The new sixth edition
-- the only
comprehensive
psychiatry textbook to
integrate all the new
DSM-5(R) criteria --
provides the most up-
to-date, authoritative,
insightful foundational
text in the field. Its
contributors include
authors of the

Online Library

The American

definitive texts in their
areas of
specialization.

Now updated to keep
professionals current
with the latest
research and trends
in the field, this edition
covers both basic
science and clinical
practice, and draws
on the talents of 53
new contributors to

Online Library

The American

guarantee fresh,
authoritative
perspectives on
advances in
psychiatric drug
therapy.

This is an invaluable
single source for the
latest scholarship and
clinical knowledge
about schizophrenia.

The book is divided
into three parts,

Online Library

The American

addressing the
presentation of
schizophrenia, the
etiology and
pathophysiology of
the disorder, and
treatment and
rehabilitative
therapies.

General clinicians
conduct most forensic
psychiatric
examinations and

Online Library

The American

provide most
psychiatric testimony.

Yet these clinicians
often receive little or
no training in forensic
psychiatry, leaving
them ill prepared to
meet the inevitable
ethical and legal
challenges that arise.

Both timely and
informative, this
textbook is the first
reference designed

Online Library The American

and written for both
the general clinician
and the experienced
forensic psychiatrist.

Here, 28 recognized
experts introduce the
forensic subjects that
commonly arise in
clinical practice.

Unique in the
literature, this
outstanding collection
covers • Introductory
subjects—Organized

Online Library

The American

psychiatry and
forensic practice; the
legal system and the
distinctions between
therapeutic and
forensic roles;
business aspects of
starting a forensic
practice; the role of
the expert witness;
the differences
between the ethics of
forensic and clinical
psychiatry; the use of

Online Library

The American

DSM in the

courtroom; and issues
that arise in working
with attorneys• Civil

litigation—The

standard of care and
psychiatric

malpractice; civil

competency; issues in

conducting

evaluations for

personal injury

litigation; personal

injury claims of

Online Library The American

psychiatric harm; and
disability

determination and
other employment-

related psychiatric
evaluations• Criminal
justice—Competency

to stand trial and
insanity evaluations;

the use of actuarial
and clinical

assessments in the
evaluation of sexual
offenders; psychiatry

Online Library

The American

in correctional
settings; and the
relationship between
psychiatry and law
enforcement,
including mental
health training, crisis
negotiation, and
fitness for duty
evaluations• Special
topics—Assessment of
malingering;
evaluations of
children and

Online Library The American

adolescents; violence risk assessments; the use of prediction instruments to determine "dangerousness"; and the evolving standard of expert psychological testimony Each chapter is organized around case examples and includes a review of

Online Library The American

Geriatric
Psychiatry

key concepts,
practical guidelines,
and references for
further reading. A
study guide is also
available for use in
teaching, in studying,
and in preparing for
the forensic board
examination. This
practical textbook
makes this interesting
specialty accessible
to trainees and

Online Library

The American

seasoned

practitioners. With its

detailed glossary of

legal terms, subject

index, and index of

legal cases, it will be

a welcome addition to

all psychiatric

residency and

forensic fellowship

programs.

The American

Psychiatric

Online Library

The American

Association

Publishing Textbook

of

Psychopharmacology

is an indispensable

and comprehensive

resource for clinicians

and trainees who

prescribe

psychotropic

medications. Updated

to reflect the new

DSM-5 classification,

this revised Fifth

Online Library The American

Edition maintains the user-friendly structure of its predecessors while offering in-depth coverage of the latest research in pharmacological principles, classes of drugs, and psychiatric disorders.

Introductory chapters provide a theoretical grounding in clinical applications, with

Online Library The American

topics ranging from neurotransmitters to brain imaging in psychopharmacology.

The bulk of the book is devoted to various classes of drugs, including

antidepressants, anxiolytics, antipsychotics, mood stabilizers, and other agents, with each class divided into

Online Library The American

chapters on specific drugs -- either new or revised to include the latest findings and trends. Finally, the section on psychopharmacological treatment addresses evidence-based principles of clinical care for the full spectrum of mental disorders and conditions -- from

Online Library The American

depression to chronic
pain -- as well as for
specific populations
and circumstances --
from children and
adolescents to
psychiatric
emergencies --
offering information
on topics such as
medication selection,
combination and
maintenance dosing
regimens, monitoring

Online Library

The American

and management of
side effects, and
strategies for
optimizing treatment
response. The book's
beneficial features are
many: The section on
principles of
pharmacology has
been revised and
reorganized to
incorporate recent
discoveries from the
fields of neurobiology,

Online Library The American

genetics, brain
imaging, and
epidemiology. History
and discovery,
structure--activity
relationships,
pharmacological
profiles,
pharmacokinetics and
disposition,
mechanisms of
action, indications and
efficacy, side effects
and toxicology, and

Online Library

The American

drug--drug

interactions are

addressed for each

agent. This consistent

structure places the

desired information at

the clinician's

fingertips and

facilitates study for

trainees. Coverage of

drugs approved since

the last edition is

thorough,

encompassing new

Online Library

The American

antidepressants (e.g., vortioxetine), new antipsychotics (e.g., cariprazine), and agents on the clinical horizon (e.g., ketamine). More than 180 tables and graphs present critically important data in an accessible way. A work of uncommon scientific rigor and clinical utility, The

Online Library

The American

American Psychiatric
Association

Publishing Textbook
Textbook Of
of

Psychopharmacology
provides state-of-the-
art information on
both the principles
and the practice of ps
ychopharmacological
treatment of
psychiatric disorders.

Psychiatry
Rev. ed. of: The

Page 89/99

Online Library

The American

American Psychiatric

Press textbook of

geriatric

neuropsychiatry. 2nd

ed. 2000.

This new edition of

The American

Psychiatric Publishing

Textbook of

Personality Disorders

has been thoroughly

reorganized and

updated to reflect new

Online Library The American

findings, expanded treatment options and considerations, and future directions, such as translational research, enhancing the text's utility while maintaining its reputation as the foremost reference and clinical guide on the subject. In four exhaustive and enlightening sections,

Online Library

The American

the book covers basic concepts of personality disorders, etiology, clinical assessment, diagnosis, and treatment, and it addresses special issues that may arise with specific populations or settings. In addition, the text offers many features and benefits:

Online Library The American

Several chapters describe the intense efforts to identify the scientifically strongest -- and clinically relevant -- approaches to conceptualizing and enumerating personality traits and pathology. The book does not sidestep ongoing controversies over classification but

Online Library The American

addresses them head-on by including chapters by experts with competing perspectives. The hybrid dimensional/categorical alternative model of classification for personality disorders included in the DSM-5 is included in an appendix and thoroughly referenced throughout the

Online Library The American

Psychiatry
Publishing
Textbook Of
Geriatric

volume and discussed
in detail in several
chapters. Coverage of
current research is up-
to-date and extensive.

Psychiatry
American
Psychiatry

Longitudinal
naturalistic studies,
which have shown
surprising patterns of
improvement in
patients with selected
personality disorders,
as well as new and
more rigorous

Online Library

The American

treatment studies, have yielded critical findings in recent years, all of which are thoroughly addressed.

Dozens of vivid and detailed case examples are included to illustrate diagnostic and treatment concepts.

The editors have selected a roster of contributors second to

Online Library

The American

none, and the text has been scrupulously edited for consistency of language, tone, and coverage. As clinical populations become better defined, new and more rigorous treatment studies are being conducted with increasingly promising results. The American Psychiatric Publishing

Online Library

The American

Textbook of

Personality Disorders

offers clinicians,
residents, and

trainees in all

disciplines a front row

seat for the latest

findings and clinical

innovations in this

burgeoning field.
