Bad Night Stand The man had seemed so innocent in the bar-hot, hard, and possessing a butt that I wanted to bite like the last chocolate chip cookie in my stash. Of course, he'd also skipped town, leaving me woefully unsatisfied. That was before the news of a failed IUD. Before the plus sign. Before Jordan showed back up determined to make that night up to me. I didn't want a baby or a payday or a sexy, stubborn man in my life. I wanted to go back in time and pretend none of it had happened. Unfortunately, my life had become all about that plus sign . . . and there wasn't a damn thing I could do about it. Bad Breakup The first sign of trouble was the rough, masculine voice. The second was the Scottish accent. God, Cecelia loved Scottish accents. Colin McGregor was her every fantasy come to life. And Cecelia had been in love with him. Twice. Then had her heart broken. Twice. Well, the third time wasn't the charm and CeCe wasn't going to be stupid about Colin. Not again. Not now that she knew better. But had anyone informed Colin of that fact? Bad Husband Heather O'Keith is the biggest, baddest female CEO around. Known for being tough as nails, fair to a fault, and a shark when it comes to securing contracts for her business, RoboTech, she's also lonely. Not that she would tell anyone else that . . . least of all one Clay Steele-sexy, smart, cold, and a man with a business acumen that both matches and sometimes surpasses her own. But then Heather realizes that she may not be the only lonely one. The big lug who seems to enjoy tormenting her in the business world also has a soft side. And when that part of him is wholly directed at her, she gets stupid. Stupid finds her waking up hungover and naked in Clay's bed. With a giant diamond ring. On her left hand. Oh lord, what has she done? Bad Date: A Never Before Released Novella Blind dates were the absolute worst. Awkward, filled to the brim with small talk, and they never, ever worked out. Kay knew all that. Yet for some reason, she still had agreed to let Heather set her up. Maybe it was because Heather O'Keith had rescued her when some idiot had dropped half a Venti Frappuccino on her laptop, saving her nearly-completed novel and befriending her in the process. Maybe Heather was just a force to be reckoned with. Or maybe, it was because Kay had serious pushover tendencies. But when the date came, Kay found herself alone at a table for almost an hour before she called it quits. She'd been stood up. Yup, that was just perfect. Her night was shot, she was behind on her word count, but then . . . she quite literally ran into tall, dark, and handsome outside the restaurant. One look at him and Kay thought that perhaps her night might be salvaged after all. Until she discovered tall, dark, and handsome was a jerk. Until she discovered that jerk was her missing blind date-her rude and insufferable date who blew right by her as if she didn't exist. What. The. Hell?

Gerald Wilkins never considered himself a particularly exceptional thirteen-year-old. But that was before he inherited twenty billion pounds, a Caribbean island, a yacht, and three estates from a great-aunt he never knew. With this fortune, however, comes a letter. One from his great-aunt Geraldine. One that tells Gerald that she was murdered, and that it's up to him to find out why. Along with his friends Ruby and Sam, Gerald embarks on a journey that will lead him from the British Museum to dodgy social clubs for the disgustingly rich to mansions in the English countryside to secret places far underground. Who was Geraldine Archer? And what secrets was she hiding? Unless Gerald, Sam, and Ruby can find out before the killer does, they may be next.

Bad Hookup She was a good girl—sigh—she'd always been a good girl. Except when it came to him. All of a sudden, she'd been doing all of those "dangerous, bad girl" things her grandmother had once warned her of. eAnd just like her grandma had predicted, he'd vanished come morning. No note. No exchanged numbers. She hadn't even known his name. But then Rachel discovered that she had to work in close, day-to-day contact with him. Sebastian Henley. The man from the bar. The sexy, gorgeous, irresistible disappearing man from the bar. And he still made her want to do bad, bad things. Bad Divorce Bec Darden had spent her entire adult life building a fearsome reputation both in the courtroom and the boardroom. But once upon a time, she was also a naïve and romantic—aka idiotic—soul who'd married her college sweetheart on a whim just before graduating. She and Luke were young and in love and— No surprise, her marriage had been short-lived. Explosive. Miserable. And incredibly, incredibly short-lived. But now Luke Pearson was back in her life and with the worst possible news. As in she was still freaking married. Luke had been sexy in high school, gorgeous in college, but he was even hotter as a grown man and his reappearance in her life hadn't done anything to dampen the attraction she felt for him. But one broken heart was enough, and she wasn't in the market to give Luke another chance at shattering her all over again. He needed to sign the divorce papers she drafted and leave her to her life. Except . . . Luke wouldn't sign. Bad Fiancé For Seraphina Delgado, finding a man who loved her for who she was inside, rather than simply appreciating her outward appearance, had proved to be impossible. She wasn't trying to be cocky, but she was beautiful. So beautiful, in fact, that she'd spent her childhood and tween years modeling and shooting commercials and . . . well, only being appreciated for the way she looked. And that was more curse than advantage because looks faded. People aged, wrinkles formed, boobs sagged . . . anyway, none of that mattered because no man ever saw who she truly was on the inside. Until Tate. He was more interested in software than her cup size and had hired her to help him find a house. He didn't care about her looks or her boobs, only her abilities as a real estate agent. But then he showed up in her office with a crazy proposition. One so crazy, it almost made sense. He wanted them to get married. And Sera thought she just might agree. Bad Text It came in the middle of the night. Totally her fault, as she should have had her phone on Do Not Disturb. But she hadn't, and that buzz-buzz had woken her. Then she'd seen the picture and . . . wow. She couldn't let that pass her by. She'd just had to respond and then had stayed up texting back and forth with the man who'd had the great abs and the spectacular di- Cough. Sense of humor. She meant the spectacular sense of humor. But as the sun had risen and as she'd had to force her bleary self out of bed, she'd set the text chain aside and gotten on with her day. Until she'd walked out of her apartment, turned toward the elevator, and saw . . . Him.

He needs a wife. She needs a paycheck. But neither expect the heat in their marriage of convenience. No one puts CEO Jack Sutton in a corner, not even his mother... or her will. If he wants his inheritance, he needs to be married, but no one said the marriage had to be anything other than a business arrangement. There are plenty of willing women, and they'll play by the rules: stick to the script and don't fall in love. He only has to find one in time. Too bad he only left himself a few hours. Kelly Bradley made it into the law school of her dreams, but she has no way to pay and the tuition deadline is fast approaching. Marrying a billionaire might be a bit drastic, but spending one year on his arm will make all her problems go away... if she can keep her heart in check. That's never been a problem in the past. It's a business arrangement, but when one thing leads to another will Jack be able to let Kelly go? Or can he find a way to renegotiate the deal of his life? This is a standalone book in the Sutton Billionaires Series. A shorter version of this book was previously published in the Sutton Capital Series under the title Legal Ease.
